REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen is pleased to submit the following for inclusion in the Annual Town Report for calendar year 2018:

The Annual Town Election in May saw the re-election of Daniel L. Salvucci for a three-year term. During the reorganization of the Board of Selectmen at their meeting on June 26, 2018, Carl F. Kowalski was elected to the position of Chairman, Daniel L. Salvucci was elected to the position of Vice Chairman and Brian J. Bezanson was elected to the position of Clerk.

On February 20, 2018, the Board of Selectmen hosted a swearing-in ceremony for three firefighter/paramedics - Zachary Baldwin, Russell Lucas and Jerry Thompson. The Board welcomes and extends congratulations and best wishes to the three newest members of the Whitman Fire Department.

Also at the February 20, 2018, meeting of the Board, Assistant Town Administrator Lisa Green presented the Board with a proposal to purchase the existing street lights from National Grid and to convert them to LED lights. The average annual cost of the 856 street lights in Town is \$152,600. Purchasing the lights from National Grid and converting them to LED will provide the Town with an estimated savings of \$51,396 per year. Mrs. Green advised the Board that a quote was received from National Grid in the amount of \$0.00 for the purchase of all 856 street lights, making this an excellent time to move forward with the project. The Board agreed and voted unanimously to support the Streetlight Purchase and Retrofit to LED Project. With an estimated cost of \$278,364 to retrofit the streetlights to LED lights, a reimbursable grant from the Department of Energy Resources and a reimbursable utility incentive from National Grid were applied for and awarded to the Town. The remaining cost of \$158,309 was included in the Green Communities Grant application and was also awarded to the Town. The Board of Selectmen extends deepest gratitude to Mrs. Green on her dedication and tireless efforts associated with this project.

The Board of Selectmen saw the retirement of four long-time Town employees during 2018. On April 30, 2018, Mary Claire Smedile retired from the position of Town Accountant after over 28 years of dedicated service. On August 3, 2018, Paula Anderson retired from the position of Administrative Assistant after more than 22 years of dedicated service to the Department of Public Works. Also on August 3, 2018, Ralph Richardson retired from the position of Superintendent of the Department of Public Works after almost 21 years of dedicated service. On August 9, 2018, Karen Hucksam retired from the position of Administrative Assistant after more than 21 years of dedicated service in the Building Department. On behalf of a grateful community, the Board of Selectmen would like to extend best wishes for good health and happiness in their retirements.

On Sunday, June 17, 2018, Aidan and Zachary White were recognized for earning the rank of Eagle Scout. Aidan's community service project involved clearing the existing vegetation and planting new flowers along the side of the East Bridgewater Public Library. Zachary's community service project involved clearing the area at the front of the East Bridgewater Public Library in order to add new plantings and install a park bench. The Town is proud of its community values which contribute to the success of the scouting program.

At the June 26, 2018, meeting of the Board, Dr. Melinda Tarsi of Bridgewater State University was present to discuss the process of conducting a community survey; and suggested putting together a group of stakeholders and scheduling some meeting dates. It was determined that the group of stakeholders would consist of members of the Board of

Selectmen and other town boards and committees; business leaders, department heads and citizens at-large. An invitation to join was also extended to members of the Finance Committee and the Whitman Hanson Regional School District Committee. A community meeting was held on August 15, 2018, to plan and develop a community assessment process for the Town; and to seek input from citizens to construct a community survey to assist the Town in planning for its future. A deadline was also set for submitting questions for inclusion in the survey. Once the survey was completed, it was mailed out to residents and also made available online. To date, 610 online responses and 368 paper responses have been received and the results are pending. It is the hope of the Board of Selectmen to be able to translate the results of the survey into a strategic plan.

At the August 28, 2018, meeting of the Board of Selectmen, Mr. Lynam announced that through the efforts of Assistant Town Administrator Lisa Green, the Town received a grant in the amount of \$5,400 for recycling sustainability. Mrs. Green also worked with the Department of Public Works to develop a program for clothing waste. Simple Recycling provides bags for the disposal of textiles at no cost to Whitman residents who are Waste Management customers. Bags containing textile waste can be left out with trash and recycling carts and will be picked up by Simple Recycling. The Town receives \$0.01 for every pound of textile waste disposed of through this program. Service for the disposal of textile waste began on December 1, 2018.

On September 25, 2018, and October 23, 2018, the Board of Selectmen held joint meetings with the Planning Board in order to interview candidates who applied to fill two vacancies on the Planning Board. Those interviewed were Elaine Bergeron, Jerry Blumenthal, Adele Carew and Adam Somerville. Following the interviews, the names of all of the applicants were placed in nomination where Adam Somerville and Elaine Bergeron received the majority of the votes. The Board of Selectmen congratulates Mr. Somerville and Ms. Bergeron and wishes them well as they take their place as members of the Planning Board. The Board would also like to thank the other candidates for their interest and for participating in the interview process.

Also at the September 25, 2018, meeting of the Board of Selectmen, Mr. Lynam announced that after interviewing several candidates for the position of Town Accountant, Mr. Bezanson, Mr. LaMattina and he ultimately selected Kenneth Lytle to fill the position. Mr. Lytle is a graduate of Boston College and a Whitman resident with a strong background in accounting. The Board welcomes and congratulates Mr. Lytle and wishes him every success in his new role.

In closing, the Board of Selectmen extends heartfelt thanks to all Town departments and their employees for their dedicated service to the community; thank you to those who volunteer their time and expertise to serve on various boards and committees in the Town; thank you to the residents of Whitman for the support you show for your Town and those who serve you.

Respectfully submitted,

Carl F. Kowalski, Chairman
Daniel L. Salvucci, Vice Chairman
Brian J. Bezanson, Clerk
Randy G. LaMattina, Member
Scott J. Lambiase, Member

Francis J. Lynam, Town Administrator
Lisa Green, Assistant Town Administrator
Laurie O'Brien, Administrative Assistant

SPECIAL TOWN MEETING MARCH 12, 2018 (FY18)

The Special Town Meeting was called to order at 8:19 p.m. by Moderator Michael M. Seele. He asked for the count of voters. Patrolman Kevin Harrington announced the count of the voters present was 150, constituting the quorum requirement of 150 voters. The meeting pledged allegiance to the flag.

Town Clerk Dawn M. Varley swore in the following tellers: Frederick M. Small, 87 Hilltop Rd., Scott M. McCarthy, 92 Sportsmen's Trl., Michelle Winnett., 308 Raynor Ave. Warrant was then read by the Town Clerk.

Moderator Seele explained how the devices worked, if you push A that would mean yes and if you push B that would mean no, and you have 10 seconds to vote on each article.

Moderator Seele went over the rules governing town meeting.

Moderator Seele acknowledged the Finance Committee on their service to the town.

Article 1

The Town Voted by electronic device **YES 102 NO 21** to transfer \$256,725.62 from the Capital Stabilization Fund to pay for costs associated with the moving of the Pre-kindergarten district wide program from the Maquan School to the Whitman Hanson Regional High School, or take any other action relative thereto.

Proposed by the Whitman Hanson Regional School District School Committee

Article 2

The Town Voted by electronic device **YES 87 NO 13** to authorize The Town, by and through its Board of Selectmen or the Town Administrator, as designated by the Board of Selectmen, to enter into contracts for energy purchases or net metering contracts for terms up to Twenty (20) years, or take any other action relative thereto.

Proposed by the Board of Selectmen

Article 3

The Town Voted by electronic device **YES 113 NO 26** to adopt the following Protective Zoning Bylaw by adding a new Section V, 5-5, that would provide as follows:

Zoning Bylaw:

SECTION v, 5-5 PROHIBITION OF MARIJUANA ESTABLISHMENTS:

Consistent with M. G. L. c. 94G, § 3 (a)(2), all types of non-medical "marijuana establishments" as defined in M. G. L. c. 94G, § 1, including marijuana cultivators, independent testing laboratories, marijuana product manufacturers, marijuana retailers or any other types of licensed marijuana-related businesses, shall be prohibited within the Town of Whitman. This prohibition shall not apply to the sale, distribution or cultivation of marijuana for medical purposes licensed under Chapter 369 of the Acts of 2012. This Section shall be effective upon passage by the voters at a Town Election; or take any other action relative thereto.

Proposed by the Board of Selectmen

The Special Town meeting was adjourned at 8:32 pm. There were 179 total voters checked off of the voting list.

A TRUE RECORD ATTEST:
TOWN CLERK – WHITMAN

SPECIAL TOWN ELECTION MARCH 17, 2018

The polls for the Special Town Election were opened at 9 a.m. and closed at 5 p.m. 850 voters or **8%** of the 10,583 registered voters cast ballots. Included in this total were **64** absentee ballots. Officer on duty was Patrolman Kevin J. Harrington. The unofficial results were announced by Town Clerk Dawn M. Varley at **5:05** p.m. The legal meeting for the election of officers was held under a warrant issued by Selectmen on 3/6/18 and posted on 3/8/18 in accordance with Town by-laws. The official results are as follows:

	PR. 1	PR. 2	PR. 3	PR. 4	TOTAL
PROHIBITION OF RECREATION MARIJUANA					
BLANKS	0	0	0	0	0
YES	130	138	143	132	543
NO	74	81	85	67	307
TOTAL	204	219	228	199	850

A TRUE RECORD, ATTEST:

Dawn M. Varley
TOWN CLERK - WHITMAN

SPECIAL TOWN MEETING MAY 7, 2018 (FY18)

The Special Town Meeting was called to order at 7:53 p.m. There were 232 voters checked off on the voting list, constituting the quorum requirement of 150 voters. Town Clerk, Dawn M. Varley read the warrant and the meeting voted as follows:

Article 1

The Town voted IN THE MAJORITY to accept Section 17C of MGL Chapter90, as provided for in the Municipal Relief Act, authorizing the Board of Selectmen to establish a speed limit of 25 miles per hour on any roadway inside thickly settled or business district, or take any other action relative thereto.

Proposed by the Town Administrator

Article 2

The Town voted UNANIMOUSLY the **motion** That \$280,000 is appropriated to pay costs for the purchase of existing streetlights from National Grid and the conversion of existing streetlights to energy efficient and long lasting LED, including the payment of all costs incidental and related thereto, and that to meet this appropriation, the Treasurer, with the approval of the Selectmen, is authorized to borrow said amount under and pursuant to Chapter 44, of the General Laws, or pursuant to any other enabling authority, and to issue bonds or notes of the Town therefor.

Proposed by the Town Administrator

Finance Committee voted 7-0-1 to recommend.

Article 3

The Town voted UNANIMOUSLY to appropriate 323,144.58 from Sewer-Water retained earnings to pay debt authorized by Article 2 of the December 11, 2017 Special Town Meeting, or take any other action relative thereto.

Proposed by the Town Administrator

Finance Committee voted 7-0-1 to recommend.

Article 4

The Town voted UNANIMOUSLY as AMENDED to transfer \$175.00 from Line 93A-Custodial Services of Article 2 of the May 1, 2017 Annual Town Meeting to fund a longevity payment for Fiscal Year 2016, or take any other action relative thereto.

Proposed by the Town Administrator

Finance Committee voted 7-0-1 to recommend.

Article 5

The Town voted UNANIMOUSLY to transfer \$1,000 from Budget Line 93A- Custodial Services to Budget Line 67- Town Clerk Certification of the May 1, 2017 Annual Town Meeting, or take any other action relative thereto.

Proposed by the Town Clerk

Finance Committee voted 7-0-1 to recommend.

The Special Town Meeting was adjourned at 8:08 p.m.

A TRUE RECORD, ATTEST:

TOWN CLERK - WHITMAN

ANNUAL TOWN MEETING MAY 7, 2018 (FY19)

The Annual Town Meeting was called to order at 7:39 p.m. by Moderator Michael M. Seele. He asked for the count of voters. . Patrolman Kevin J. Harrington announced the count of the voters present was 197, constituting the quorum requirement of 50 voters. The meeting pledged allegiance to the flag and Pastor Joshua Gray of the First Congregational Church gave the invocation. A moment of silence was held for deceased Town employees who died in 2017. Town Clerk Dawn M. Varley swore in the following tellers: Lawrence Roache, 26 Acorn Rd., Michelle Clare LaMattina, 6 River Birch Cir., Christine M. Hadden, 800 Temple St. Warrant was then read by the Town Clerk. Moderator Seele went over the rules governing town meeting. Moderator Seele acknowledged the Finance Committee on their service to the town.

Moderator Seele went over the use of electronic devices and asked the voters if anyone had any questions. Elaine M. Williams of 41 Perry Ave., asked the moderator if his intent was to use the handheld devices for all votes. Moderator Seele said his intention was to use the devices only on 2/3rd votes if the votes were not unanimous or any other voice votes he feels necessary. Elaine Williams asked to make a motion to use the Electronic Devices for all articles on the Town Meeting Warrant. Moderator Seele made reference to the Town bylaws under the Rules for Government of Town Meeting section 4. All votes, unless otherwise provided by law, shall be taken, in the first instance, by a "Yes" and "No" voice vote. Town Administrator Frank Lynam then referred to section 5 that the majority of

the Town meeting could make a motion that all votes could be taken by electronic handset voting system. Town Counsel Michelle McNulty clarified that if it was the wish of the voters the motion would have to be made on every article to use Electronic Voting not the on the entire Town meeting. Selectmen Daniel P. Salvucci voiced his concern of having the devices and not using them and he would possibly be looking into a bylaw changing the process.

Article 1

The Town voted UNANIMOUSLY for the following Town Officers: One Town Clerk for Three Years; One Selectmen for Three Years; One Assessor for Three Years; Two PK-12 Whitman-Hanson Regional School District Committee Members for Three Years; One Department of Public Works Commissioners for Three Years; Two Public Library Trustees for Three Years; One Planning Board Member for Three Years to fill vacancy; One Board of Health Member for Three Years; and to choose all other necessary officers.

The polls for the election of officers will be opened in said Town Hall at nine o'clock in the forenoon on said Saturday, the 19th day of May, 2018, and kept open until five o'clock in the evening. Both of which days will constitute the Annual Meeting and this call is issued in accordance with the vote of the Town passed January 29, 1902.

Proposed by the Board of Selectmen

At 7:53 P.M. Moderator Michael Seele adjourned the Annual Town Meeting and opened the Special Town Meeting. **The Special Town Meeting is recorded in a separate document.**

Special Town Meeting adjourned at 8:08 p.m. and the Annual Town Meeting was reconvened.

Town Administrator Frank Lynam addressed Town Meeting stating how this year is different because we have to use Capital Stabilization funds. The town can no longer raise enough money to pay for technology, life and health insurance, county retirement, solid waste, etc. They will be looking at the revenues and expenditures to cover costs.

The Chairman of the Finance Committee, Rick Anderson, talked briefly about the town's financial road map. He shares an analogy from a conference he attended, "The Board of Selectmen drive the car, the Finance Committee plans the route but the Town Meeting decides if we take the trip."

Moderator Seele took a 10 Minute recess so that the voters may look over Article 2 for any questioned line items, at 8:18 ATM was reconvened.

Article 2

To determine how much money the Town will raise and appropriate for General Government, Protection of Persons and Property, Health and Sanitation, Public Works, Veterans' Benefits, Education, Library, Recreation and Unclassified, specifying what appropriations shall be taken from the receipt of a department, or take any action relative thereto.

Proposed by the Board of Selectmen and Finance Committee

A **Motion** was made by Selectmen Daniel Salvucci to use Electronic Voting on Article 2 all questioned lines – The Town Voted in the MAJORITY to use Electronic voting on all questioned lines in Article 2.

The following Line Items were questioned: **5, 6, 7, 26, 35, 67, 117, 123, 133, 138, 145, 156, 161, 170, 172, 197, 227, 245, 252, 256, 404, 405, 410, 414, and 438.** All other line items were voted by Electronic Vote Yes - 158 No – 8.

The questioned lines were taken by Electronic Votes as follows: Line 5, Yes-133 No-70; Line 6, Yes-152 No-52; Line 7, Yes-158 No-41; Line 26, Yes-179 No 29; Line 35, Yes-174 No-38; Line 67, Yes-162 No 35; Line 117, Yes-135 No-60; Line 123, Yes-156 No-48; Line 133, Yes-177 No-31; Line 138, Yes-177 No-13; Line 145, Yes-146 No-59; Line 156, Yes-149 No-50; Line 161, Yes-178 No-30; Line 170, Yes-183 No-21; Line 172, Yes-182 No-24; Line 197, Yes-138 No-61; Line 227 as amended, Yes-186 No-27; Line 245, Yes-182 No-16; Line 252 Yes-186 No 14; Line 256, Yes-166 No-22; Line 404, Yes-160 No-23; Line 405, Yes-169 No-27; Line 410, Yes-140 No-62; Line 414 as amended, Yes-170 No-29; Line 438, Yes-164 No-15.

Article 3

The Town Voted UNANIMOUSLY to amend the general by-laws of the town by adding a new section as set forth below to establish and authorize revolving funds for use by certain town departments, boards, committees, agencies or officers under Massachusetts General Laws Chapter 44, § 53E½, or take any other action relative thereto.

DEPARTMENTAL REVOLVING FUNDS

1. Purpose. This by-law establishes and authorizes revolving funds for use by town departments, boards, committees, agencies or officers in connection with the operation of programs or activities that generate fees, charges or other receipts to support all or some of the expenses of those programs or activities. These revolving funds are established under and governed by General Laws Chapter 44, § 53E½.

2. Expenditure Limitations. A department or agency head, board, committee or officer may incur liabilities against and spend monies from a revolving fund established and authorized by this by-law without appropriation subject to the following limitations:

Fringe benefits of full-time employees whose salaries or wages are paid from the fund shall also be paid from the fund.

No liability shall be incurred in excess of the available balance of the fund.

The total amount spent during a fiscal year shall not exceed the amount authorized by town meeting on or before July 1 of that fiscal year, or any increased amount of that authorization that is later approved during that fiscal year by the select board and finance committee.

3. Interest. Interest earned on monies credited to a revolving fund established by this by-law shall be credited to the general fund

4. Procedures and Reports. Except as provided in General Laws Chapter 44, § 53E½ and this by-law, the laws, charter provisions, by-laws/ordinances, rules, regulations, policies or procedures that govern the receipt and custody of town monies and the expenditure and payment of town/city funds shall apply to the use of a revolving fund established and authorized by this by-law. The town accountant shall include a statement on the collections credited to each fund, the encumbrances and expenditures charged to the fund and the balance available for expenditure in the regular report the town accountant provides the department, board, committee, agency or officer on appropriations made for its use.

5. Authorized Revolving Funds. The Table establishes:

Each revolving fund authorized for use by a town department, board, committee, agency or officer, The department or agency head, board, committee or officer authorized to spend from each fund,

The fees, charges and other monies charged and received by the department, board, committee, agency or officer in connection with the program or activity for which the fund is established that shall be credited to each fund by the Town Accountant, The expenses of the program or activity for which each fund may be used, Any restrictions or conditions on expenditures from each fund; Any reporting or other requirements that apply to each fund, and The fiscal years each fund shall operate under this by-law.

A. Revolving Fund	B Department, Board, Com- mittee, Agency or Of- ficer Author- ized to Spend from Fund	C Fees, Charges or Other Re- ceipts Credited to Fund	D Program or Activ- ity Expenses Pay- able from Fund	E Restrictions or Conditions on Expenses Payable from Fund	F Other Re- quire- ments/Re- ports	G Fiscal Years

			A TRUE RECORD, ATTEST:		
			Dawn M. Varley		
			TOWN CLERK - WHITMAN		

REPORT OF THE ANIMAL INSPECTOR

To the Honorable Board of Selectmen and the Citizens of Whitman:

We herewith submit the report of Animal Inspector for the year ending December 31, 2018.

All Whitman households with barn animals are required to apply for a permit with the Board of Health in order for the town to have a census of these animals. Inspections are done on a yearly basis and are up to date.

When the Board of Health is notified by a hospital, physician or veterinarian of animal bites to either humans or domestic animals, the involved animals are quarantined as per state guidelines. Due to the increased incidents of rabies in our area, the Board of Health requests that all dog owners vaccinate and license their dogs and follow the Town of Whitman Dog Control Regulations. Also, in accordance with MA law, all cats must be vaccinated against rabies. Please visit www.whitman-ma.gov for information on Whitman's yearly rabies clinic.

Respectfully submitted,

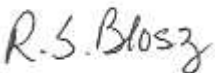

Alexis Andrews
Animal Inspector/Health Inspector

TOWN OF WHITMAN, MASSACHUSETTS BOARD OF APPEALS

The Zoning Board of Appeals heard a total of 30 cases during 2018. Disposition of the cases was as follows:

Special Permit Approval	9
Special Permit & Variance Approval	5
Special Permit & Site Plan Approval	2
Site Plan Approval	2
Variances Approved	5
Withdrawal	1
Site Plan, Special Permit & Variance Approval	2
Site Plan & Variance Approval	3
Site Plan, Special Permit & Variance Denial	1

Members of the Zoning Board of Appeals during 2018 were John Goldrosen (Chairman), Fred Gilmetti (Vice-Chairman), Richard Blosz (Clerk), Wayne Andrews and James Chandler. Steven Cacciatore, Robert Keeman and Sheila Salvucci served as Associate Members.

Richard S. Blosz,
Clerk

REPORT OF THE TREASURER-COLLECTOR

To the Honorable Board of Selectmen and the Citizens of the Town of Whitman:
The Treasurer's and Collector's Offices are responsible for many different functions which are essential to the Town's daily operations. The Treasurer's Office processes payroll, employee and retiree benefits, debt issuance, cash flow and investments, tax title and trust fund administration, cash receipts, expenditures, and many other payment and record keeping tasks.

The Collector's Office issues and collects all receivables such as real estate, personal property, excise, boat, trash and water bills as well as all monies turned over by Town departments. The office is responsible for issuing Municipal Lien Certificates and handles all billing and payment inquiries from taxpayers, mortgage companies and real estate attorneys. The Collector's Office processes daily turnovers to the Accountant, and processes all files received from tax service companies and all payments received from the deputy collector.

I would like to thank the following Treasurer-Collector's staff for their continued support and dedication this fiscal year: Michele Hayes - Assistant Treasurer-Collector, Sheri Maroney – Collector's Office Clerk, Mary Butler – Treasurer's Office Payroll Clerk, Jennifer DeVasto – Treasurer's Office Benefits Clerk, and Victoria Campanile – Treasurer's Office Clerk.

A complete analysis of the Town's receipts and expenditures for fiscal year 2018 can be found in the Report of the Town Accountant. A detailed report of the total receipts collected during fiscal year 2018 and a schedule of the Town's debt obligations follows this report.

Fiscal Year 2018 Tax Titles

Collections	\$135,196.00
Properties redeemed	9
Value of properties redeemed	\$1,911,800.00

Fiscal Year 2018 Earnings

REPORT OF THE BUILDING DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of Whitman:

In 2018, the Building Department issued 482 Building Permits.

Paradise Gardens is nearly complete with 38 units now occupied.

The Zoning Board of Appeals has approved 39 Condominiums at 55-57 Plymouth Street, construction is expected to begin in the spring.

Also approved was the development of the land behind 666 Temple Street for the construction of 5 buildings with 23 townhouse condominiums. Construction will start in 2019.

A permit to demolish and construct a new building at 180 South Ave has been issued and construction is underway. This is the site of the old Leadbetter's garage.

Karen Hucksam retired in August, 2018, and I would like to thank her for many years of dedicated service to this department.

Thanks go out to the Electrical Inspector Peter Palaza, the Plumbing/Gas Inspector Mark Getchell, and Julia Carter our Administrative Assistant.

It has been my pleasure to serve as Building Commissioner/Zoning Enforcement Officer in 2018, I am looking forward to a busy year in 2019.

I respectfully submit the Annual Report for 2018.

Building Permits Issued	482
Building Permit Fees Collected	\$160,070.00
Certificates of Occupancy Issued	45
Certificates of Inspection Issued	32
Single Family Homes Constructed	11
Single Family Homes / Attached	13
Residential Additions & Alterations	380
Commercial Buildings	3
Commercial Additions & Alterations	18
Accessory Buildings	16
Demolition Permits	13
Signs	5
Swimming Pools	12

Wood Stoves	3
Miscellaneous Permits	17

The Building Commissioner is available on a 24 hour emergency call basis.

Robert P. Curran
Building Commissioner
Zoning Enforcement Officer

REPORT OF THE COUNCIL ON AGING

To the Honorable Board of Selectmen and the Citizens of the Town of Whitman:

The following is the Report of the Council on Aging for the year ending December 31, 2018.

Our long-serving Vice Chair, Mae Cousineau, retired from the Council this year. We wish to thank Mae for her many years of dedicated service and commitment to the Town of Whitman.

The Whitman Council on Aging is responsible for coordinating and/or sponsoring programs for the elderly, as well as helping to provide the necessary services needed by the elderly of our community and to insure a higher level of personal involvement in area activities for citizens of Whitman who are 60 years of age or older. The Senior Center is open Monday, Wednesday and Thursday from 8:00 am to 4:00 pm; Tuesday from 8:00 am to 7:00 pm; and Friday from 8:00 am to 1:00 pm. The COA requests residents contact the Center and advise us of any person who might benefit from provided services.

The Council on Aging office became a Passport Acceptance Facility on January 1, 2017 and COA staff have taken on the added responsibility of processing Passport applications as an additional job function of the office. The passport application Acceptance Agents for the Department of State from the Town of Whitman are Barbara Garvey, Linda Kelly, Patricia Caley and Elaine Cox. All Agents attend training annually at the Boston Passport Agency to maintain their certifications.

The Council on Aging Board meets at 9:00 am on the second Wednesday of each month at the Senior Center. Meetings are open to interested residents. The Director and Council Members are delegates to, and attend regular meetings held for, the COA, OCPC, CIRCA, MCOA and OCES. Director Barbara J. Garvey, Administrative Assistant Linda Kelly, Clerical Assistants Patricia Caley and Elaine Cox, Social Worker Theresa Altieri, Bus Drivers Gerard LaPierre, Gerry Voss, Frank Farrar and Joseph Scalata, and Old Colony Elder Services Meal Site Manager Fran Cruise make up the staff. In addition to our staff, we have many volunteers who give thousands of hours of time and effort, providing incalculable contributions to our community.

A senior lunch program is held at the Center every weekday. Home delivered meals ('Meals on Wheels') are delivered to approximately 30 seniors a day, five days per week. Food is supplied through Old Colony Elder Services. Approximately 12,000 meals were

served and delivered this year to Whitman elders in need. The kindness and generosity of many volunteers helps to make the nutrition program run smoothly.

The Council on Aging maintains a 14-passenger minibus and a 17-passenger minibus through the Mobility Assistance Program. At least one bus is used every day for a variety of activities that include transportation to the Senior Center for lunch, activities or appointments, Around Town for errands on Mondays, food shopping on Tuesdays, as well as shopping, social, recreational and cultural trips. Dial-A-Bat is used Monday through Friday primarily for medical appointment transportation.

Many successful motor coach bus trips and monthly Social Luncheons have taken place this year, thanks to volunteer Terry Seer. Ongoing Senior Center activities offered include a monthly movie, knitting, craft classes, computer classes, a weekly art group, bingo, cards, Mah Jongg, walking group, Book Buzz group, Wii bowling, Left Center Right, Scrabble, chess, and cribbage. Visitors to the Center enjoy working on the daily word search or other brain exercising puzzles that are placed on the tables each morning. Complimentary coffee and pastries are available to all patrons every morning at the Senior Center.

Added to our activities this year is an additional Friday morning Chair Yoga class. We began a Walking Group Series with planned visits to Borderland State Park in Easton and Webb State Park in Weymouth. We all look forward to our monthly visit from Abner, the pet therapy dog, and thank his owner Sylvia Bubbins for sharing him with us.

In house entertainment included "The Magic of Jack Ryan", Roger Tincknell's musical program of swing era classics "Swinging on a Star", musical entertainment by Rick Walsh, and "Singo".

Menus for our monthly "Tuesday Night Suppers" have included clam chowder, corn chowder, Italian Night, pizza, wrap sandwiches, macaroni and cheese, and hot dogs on the grille. Tuesday evening programming also included a "Paint Night" again this year.

Also available at the Senior Center are blood pressure screenings, podiatrist appointments, hearing screenings, and help with applying for Fuel Assistance. Local Attorney Ron Whitney volunteers monthly to offer free legal service to our seniors. Hairdresser services are offered on Tuesdays by Sue O'Brien. Assistance with income tax returns is provided by volunteer, Mary Sheard.

Our ongoing outreach efforts include the electronic well-check program through the Plymouth County Deputy Sheriff's Office. The "Brown Bag" food program continues to be successful by providing approximately 100 Whitman families with a bag of groceries once each month. This valuable program is a collaboration between the Whitman Food Pantry, The Greater Boston Food Bank, Dorn-Davies Senior Center and the Whitman Council on Aging.

We continue to plan and provide new and informative programs to address the needs and concerns of our senior population, including some evening programming to allow for attendance by caregivers of elders as well as by 'baby boomers' who are still working during the day.

Teaming with community partners benefits us all and we are grateful to several of our local partners for providing activities and information this year. Sachem Center for Health and Rehabilitation sponsored activities that included craft classes, lemonade socials, hot

chocolate socials, and Jeopardy trivia. Connemara Senior Living provided a presentation with Breakfast.

Mutual Bank presented a four-part series of Financial Workshops including "Identifying and Avoiding Scams", "Protecting your Assets by Preventing Theft", "Choosing a Financial Caregiver" and "Acting as a Responsible Financial Caregiver"

North River Home Care sponsored make your own sundaes events and craft classes including painted kindness rocks and an earring making party.

Our social and cultural activities were very well attended and this year and included a trip to the Peabody Essex Museum in Salem; a Charles River Boat Cruise; Blueberry Muffin Restaurant and Plymouth Farmer's Market; Hobby Lobby in Braintree; Cape Cod Thrift shops; a presentation by the Mass Audubon South Shore Sanctuaries of "Owls of the South Shore"; a slide travel presentation "Discovering Scotland" by Whitman residents, Ed and Cindy Esposito; a Welcome Summer Tea Party; pizza parties; pie socials; ice cream socials; holiday luncheons; a Christmas luncheon with musical entertainment by the Resonators jazz band; and monthly movies at the Senior Center. We are (and have been for the past 30+ years) immensely grateful for the generosity of the Knights of Columbus organization for hosting and providing free of charge the Annual Thanksgiving Dinner for close to 400 of our community's elders.

We held our second annual community wide "Shred Event" in the Senior Center parking lot on a cold and rainy Saturday in October where over 400 pounds of paper brought by residents was shredded on site.

In addition to our 'usual' destinations, this year we traveled to Vanity Fair Outlets and the Dartmouth Mall; Plainridge Park Casino; Cape Cod Canal Cruise; Portsmouth, New Hampshire; Kingston Collection; the Brass Lantern Restaurant at South Shore Vo-Tech in Hanover; Mansfield Crossing; Patriot Place in Foxborough; Castle Island in South Boston; Boston's North End and Haymarket Square; University Station in Westwood; Marshfield Fair; Cape Cod Canal Cruise; Wareham Crossing; Cape Cod Mall; the new casino in Tiverton, Rhode Island; our annual visit to the National Cemetery in Bourne during the week of Veterans Day; and LaSalette Shrine in Attleboro at Christmas. New restaurant destinations included Lyonville Tavern in Halifax, Chateau Restaurant in Stoughton, and Bliss Brothers Dairy Restaurant in Attleboro,

During the tax season a volunteer tax preparer, Mary Sheard, is available by appointment to aid Whitman seniors in the preparation of their tax return, free of charge. Theresa Altieri is our SHINE (Serving Health Information Needs of Everyone) Counselor and is available by appointment to assist with any Medicare, Medicaid, HMO, or other Medigap insurance issues. She can also assist with completing applications for MassHealth or SNAP (Supplemental Nutrition Assistance Program) benefits.

Our Senior Tax Work Program is made up of approximately thirty senior homeowners. Through this program, selected seniors volunteer in town departments for a total of one hundred hours, qualifying them for an \$800.00 real estate tax abatement. We were able to utilize the skills of these seniors in the Building Department, Town Clerk's Office, Fire Department, Library, Duval School, Conley School, and the Senior Center. The program continues to be a huge success thanks to the cooperation of the town departments and the hard work of our senior volunteers.

Our knitting group continues to knit and crochet warm hats, scarves, mittens, sweaters and afghans that are donated to Altrusa who in turn distributes the items to homeless shelters, hospitals and shelters for abused women and children.

Thank you to the merchants who support our "Seen Your News" letter with advertising. This monthly newsletter is distributed to every Whitman resident over the age of 59 and provides medical, legal, safety and social information.

The Senior Center was utilized this year by: AA, Republican Town Committee, Democratic Town Committee, TOPS, and Friends of Whitman Seniors group.

This year marked the third annual "Santa's Elves for Whitman Seniors" Giving Tree at the Senior Center. The response was again both overwhelming and heartwarming. With donations to the Giving Tree, we were able to brighten the Christmas holidays for well over fifty of our very grateful senior neighbors. We sincerely appreciate the kindness and generosity of those who donated to make our Giving Tree program a true community effort.

The Council on Aging works closely with the Executive Office of Elder Affairs, NVNA (Norwell Visiting Nurse Association), Whitman Housing Authority, Old Colony Planning Council, Old Colony Elder Services, Catholic Charities, Self-Help, the Salvation Army and various other civic groups in town to provide necessary services to all our elderly. We would especially like to recognize all those who volunteer time delivering meals, working at the luncheons, teaching classes, making calls, and 'stepping up' when requested.

Again this year, our greatest challenge is the lack of space at the Senior Center. The department has evolved from a small recreational center into a large human services department with many ongoing activities. With limited parking spaces at the Senior Center, we have reached out to the VFW and the Knights of Columbus, both of whom have graciously allowed participants in our trips to park in their lots during our day-long trips, thereby freeing up parking space at the Senior Center for those using the building. We will continue our efforts to work on expansion so that we can continue to meet the growing needs of our community.

As a Council we would like to thank the community and voters for the support of our programs and ask for your continued cooperation. We would again like to thank our Director, Barbara Garvey, and staff for their dedication to the seniors of Whitman and for pursuing grants and programs which benefit our seniors as well as the Town of Whitman. With their help and efforts, we will continue to provide quality programs for the community.

Respectfully submitted,

Patricia Goldmann, Chairman
Jill A. Getchell
Thomas G. Ford
Denise K. Bagley
Barbara J. Garvey, Director

ANNUAL REPORT OF THE BOARD OF ASSESSORS

To the Honorable Board of Selectmen and the Citizens of the Town of Whitman:

Totals:	154			\$93,014.00
---------	-----	--	--	-------------

The Annual Town Elections were held on Saturday, May 19, 2018. Priscilla A. Waugh was re-elected to a 3-year term on the Board of Assessors. The Board voted to re-organize at their regular meeting on June 12, 2018. Carol A. O'Brien was elected to serve as Chairman of the Board, John J. Noska was elected Clerk, and Priscilla A. Waugh as Member. I would like to thank the current board for volunteering their time to serve the town of Whitman.

I also extend warm thanks to the staff of the Assessors Office, Joanne M. Wing the Administrative Assistant, and Andrea P. Fall the Clerk for their unwavering professionalism.

The Assessors Office offers sincere thanks to the Town Departments with which we interact on a daily basis. A special thank you is extended to the Town Accountant,

Treasurer/Collector, and Town Clerk for their assistance during the process of setting the tax rate.

Respectfully Submitted,

Kathleen Keefe, MAA
Principal Assessor

Carol A. O'Brien, Chairman
John J. Noska, Clerk
Priscilla A. Waugh, Member

Board of Assessors

ANNUAL REPORT WHITMAN CONSERVATION COMMISSION

The Whitman Conservation Commission is a five-member board appointed by the Selectmen and is the local agency specifically charged with the management and protection of Whitman's natural resources. The Commission's major duty is to interpret and administer the regulations of the Wetland Protection Act as they apply within the area of Whitman. Meetings are held at 7:30PM on the first and third Tuesdays of each month in the meeting room in the lower Town Hall. Other meetings and public hearings are scheduled as needed. All meetings are open to the public and townspeople are invited to attend and to bring to the attention of the Commission members any questions or information relating to environmental affairs.

The Conservation Commission continues throughout the year to perform site inspections, hold public hearings, rule on specific cases of wetland applicability for building projects which impact on wetlands and answer citizen questions and complaints about infringement on wetlands areas. Over 75 site inspections were made by Commission members, and 18 public hearings were held during the year. 10 Orders of Conditions were issued by the Commission, and 1 extension of Order of Conditions was issued. In addition, 8 Certificates of Compliance were issued for work completed under terms of Orders of Conditions issued previously. One ANRAD determination was issued. The Commission also ruled on 4 Requests for Determination of Applicability of the Wetlands Protection Act. Commission members also continued their treatment program for weed control at Harding and Hobart Ponds during this summer. The treatment program is administered by Solitude Lake Management (formerly Aquatic Control Technology). In the past year the State Department of Dams and Waterways notified the town of the poor condition of Hobart and Harding Ponds. The state agency is requiring the town to conduct periodic assessments of the condition of the dams, until such time as budget funds are released by the Commonwealth to cover repairs. The Conservation Commission, working with the Selectmen and Town Administrator, agreed to assist the town by paying for these dam assessment inspections from the Commission's Notice of Intent Fees account. To date, two of these assessment inspections have been paid for from this account.

Commission members are always available to meet with citizens who have questions or concerns about abutters' property or work being done on the property. They always follow up any questionable case by meeting with the individual to work out the proper procedures for complying with the law. Commission members review all site plans submitted to other

town boards in order to determine if there is wetlands jurisdiction, notifying the appropriate agency if this is the case. Commission members also attend many hearings held by the Board of Appeals and Planning Board and meet with the Building Inspector to gather information about projects that will eventually come before the Conservation Commission.

The Conservation Commission shares meeting space with other town boards in the lower town hall. Our files are centralized in one place and are easy for members to access at any time. We hope to be assigned some office space in town hall in the future. All members attempt to be present for all meetings, in order to ensure a quorum for hearings and for service to citizens. Many questions from citizens are referred to us from town hall offices, and we do our best to provide information and answer those questions for citizens.

The Commission has three regular members at this time. All three attend every meeting in order to provide a quorum to conduct regular business and conduct public hearings. Anyone who is interested in appointment to the Conservation Commission may send a letter of application to the Town Administrator. The Board of Selectmen make appointments to the Commission. Anyone interested in serving on the Conservation Commission is invited to attend a Commission meeting and discuss the duties and responsibilities of Commission members.

The Conservation Commission is grateful to the many people who have contributed their service and knowledge throughout the year, as well as to the many citizens who have made them aware of problem situations. Commission members appreciate having had the opportunity to serve the townspeople of Whitman and acknowledge the cooperation of the various town boards in carrying out their duties.

George Porter, Chairman
Sandra Cortez, Vice Chair
Elaine Melisi, Secretary

January 18, 2019

REPORT OF THE WHITMAN FINANCE COMMITTEE

To the Honorable Board of Selectmen and to the Citizens of the Town of Whitman:

For 2018, the annual report of the Whitman Finance Committee finds itself, once again, with the prospective plans for the Town to move forward with its interests and foresight being focused on developing a responsible budget for the next cycle. This includes, but is not limited to, supporting a renewed commitment to a collaborative development of a strategic planning program and the creation of a written 5 year Capital Plan. These goals are to ultimately become part of the underlying principles that will guide our budgetary decisions for the long-term fiscal vitality of this community. We, the current members of the Finance Committee, who serve as the advocates for the citizens and as the financial representatives for the taxpayers, understand this process will take years to implement. The framework for this plan will be drafted with a collective effort of the “stakeholders” of this community.

Our principal charge is to review and recommend a course of action to the citizens of the Town with regards to the spending of the taxpayers’ dollars at Town Meetings. The

Finance Committee also has the responsibility to consider any and all matters that may have a financial impact to the Town, and to act accordingly in the best interests of the Town and its people.

In January of 2018, the Whitman Finance Committee met jointly with the Board of Selectmen to develop a strategy for presenting a recommendation for the FY 2019 budget at the upcoming Town Meeting in May. Additionally, a preliminary "Strategic Planning Initiative" that the Committee had been discussing in 2017 was brought forward. The Committee then resumed Department Budget meetings, joint BOS meetings and members participating in WHRSD budget hearings to develop a recommendation for the May Town Meeting.

Despite a collaborative effort throughout the FY 2019 Budget planning period, the FINCOM and the BOS had two different recommendations for the voters just one week prior to Town Meeting. The Committee ultimately voted to concur with the BOS recommendation to use Stabilization funds to balance the FY 2019 budget due mostly to the expectation that a Proposition 2 ½ override vote would not be supported at the ballot box. It was agreed that this was a stop gap measure and that a significant voter education plan would need to start immediately to address the expected budget crisis that loomed for FY2020.

The Committee scheduled initial budget meetings immediately following reorganization in June and discussed and voted numerous reserve fund and line item transfers to close out the FY 19 budget. It was decided to meet twice with each department in the 2020 cycle and request a level service, a 3% and 6 % cut as well as an impact statement. These percentages represented a \$1.8 M expected shortfall.

In August, the Board participated in a "Stakeholders Forum" to help with the development of a community survey by Bridgewater State University. Two members of the Finance Committee were elected to represent the Committee on a newly developed Policy Committee in October. The purpose of this financial subcommittee is to develop long range plans and financial policy in collaboration with the Board of Selectmen, Town Administrator, WHRSD, other town departments and citizen advisors. Two meetings were held in 2018 and a draft policy was developed.

With regard to working revenues for FY19, the Finance Committee put together estimates based on the best possible scenario for revenues, and what historically those revenues ended up to be. The recommendations of the Finance Committee and the decisions of the voters had sound fiscal intentions and continue to keep within the Finance Committee's goals of good fiscal management.

The members of the Finance Committee actively serve as liaisons to other town departments, reporting back to the Finance Committee on other town endeavors as well. Our involvement includes the South Shore Regional Vocational Technical High School Budget Committee and the Whitman-Hanson Regional School Budget Committee, as well as others. Vice Chairman Dave Codero is a member of the Building/Facilities Capital Expenditure Committee (BFCEC) which evolved from the former Capital Improvement Advisory Committee. The Finance Committee Chair also is a voting member of the Regional Agreement Amendment Committee which concluded the process in 2018 of updating the Whitman Hanson Regional School Agreement. Member Justin Evans as well as the chair serve on the newly developed Policy Committee.

The Whitman Finance Committee continues to serve the citizens and taxpayers of Whitman by providing the clearest picture of what we deem is economically and fiscally responsible. We will strive to develop a more comprehensive long-term approach to the

needs of the community. In 2019, the Finance Committee will continue its pattern to be more responsive, more proactive, and more than ever, dedicated to the task that we represent as to what is best for the citizens of the Town of Whitman.

WHITMAN FIRE RESCUE AND EMERGENCY SERVICES DEPARTMENT

February 5, 2019

To the Honorable Board of Selectmen and to the Citizens of the Town of Whitman:

I am pleased to submit the Annual Report of the Whitman Fire Rescue and Emergency Services Department for calendar year 2018. Emergency responses for 2018 were 2,622. Fire prevention education was provided to hundreds of children and adults. Fire personnel recorded over 500 individual training hours, ensuring the most efficient, effective service possible.

Our customers are the priority and your opinion is our driving force. We continue to receive positive feedback on our professionalism and service which we provide to you. This was the first full year we provided staffing levels at six firefighters per shift. This staffing will allow us to provide you, our customers, quicker and better patient care, quicker and better firefighting and most importantly, better customer service. A six person shift has made all the difference in emergency response and service to you. I want to thank the voters of Whitman for their trust and commitment for the Fire Department.

Your Fire Department is comprised of highly skilled, kindhearted problem solvers, who are committed to providing the best care and customer service possible, during often difficult circumstances. We are your emergency service department and available 24 hours a day, seven days a week simply by dialing 911.

Fire / Rescue service is an evolving operation with changes daily to fire scene operations, emergency medical treatments and training requirements. Many are non-funded mandates from the State or other agencies. Much of the training we are required to perform, which prepares our members for the tragic events of life, are costly and time consuming. These two restraints make for challenging times keeping our members adequately trained. The Fire Department budget maintains shift strength and allows for minimum training to

our members. Any reductions in the fire department budget would be catastrophic to public safety and our members. The members of this department take great pride and satisfaction in providing essential fire, rescue and emergency services to the citizens of the Town of Whitman.

During the year the department responded to a total of 2,622 emergency calls which is a 7% increase from 2017. A breakdown of these incidents shows 1,553 were for emergency medical with 1,069 for fire/hazardous conditions, false alarms, good intent calls, service calls, motor vehicle accidents and other areas of service.

The Holbrook Regional Communications Center continues to provide primary 911 answering with emergency medical dispatch, which is providing lifesaving instructions over the phone when required. This system has proven itself time and time again by providing instructions over the phone to bystanders for CPR. Additionally, it allows us the flexibility of taking all six on duty members to an emergency while the Regional Center dispatches the incident. Recently, text to 911 was implemented, allowing a person who cannot speak for whatever reason - be it a medical condition or intruder in your home - to text to 911.

Currently we staff three ambulances:

Ambulance 249 – 2017 Life Line - Paramedic staffed with on duty members.

Ambulance 247 – 2012 Life Line – Paramedic staffed with on duty members.

Ambulance 248 – Mechanical spare, can be placed into service at BLS level in a moment's notice.

Engine 243 - Class V non-transport Ambulance.

Engine 243 is the newest pumping engine licensed as a Class 5 Ambulance. Now Firefighter/Paramedics assigned to the truck have all their Advanced Life Support equipment with them at all times. This has worked out tremendously well allowing for rapid patient care at the ALS level when the engine is first on scene.

Fire incidents over the year which resulted in financial loss or displacement of occupants occurred 37 times with a total estimated loss of \$404,600.00.

Firefighter Tom Ford, the Towns SAFE Officer, conducted countless hours of education to our children in the school system. Additionally, the senior population were educated during coffee hours and those whom participated in our smoke detector program received new smoke and carbon monoxide detectors.

Deputy Fire Chief Joe Feeney conducted several hundred inspections related to fire prevention. Deputy Feeney works hand in hand with our Building Commissioner making Whitman a safer community for all of us.

Firefighter/Paramedic Matt Busch, the Departments EMS Officer, continues to command an EMS Operation viewed as the best system in the area. FF Busch works tirelessly with our membership providing education and training. Additionally, he works closely with our Medical Director, Dr. Dan Muse, in assuring our members are the best in the business. The demands placed on EMS Agencies is so stringent, it actually requires a fulltime position for EMS Oversight.

Firefighter Pat Travers is our regional member on the Plymouth County Technical Rescue Team. FF Travers has extensive training in special operation situations such as trench collapse, high angle rescue, and confined space, dive and water operations along with other topics. The Technical Rescue Team is a county asset which is made up of firefighters across the county with this specialized training, ready to be deployed at a moment's notice.

Fire Lieutenant Robert Hover was assigned as our IT person and has spent endless hours developing our Computer Aided Dispatch system tied to the Regional Dispatch Center which now provides endless data to our members in the field.

The department also detailed firefighters and emergency medical technicians where required for fire safety watches, welding and cutting operations, athletic competitions, health-fairs, and public speaking engagements.

I would like to thank the Fire Officers, Firefighters, and my Administrative Assistant Lisa Riley for assisting me in the operation of this Department, the Board of Selectmen, Town Administrator and all Town Departments and Committees for their help and guidance throughout the year. I also want to thank Chief Scott Benton and the members of the Police Department for their dedicated service. You can be assured that the men and women of Whitman Fire-Rescue and Emergency Services will continue to serve the people of this Town and strive to keep it a safe place to live and work.

Respectfully submitted,

Timothy J. Grenno

Timothy J. Grenno
Fire Chief

ANNUAL REPORT OF THE FOREST FIRE WARDEN

February 5, 2019

To the Honorable Board of Selectmen and the Citizens of the Town of Whitman:

I am pleased to submit the 2018 Annual Report of the Forest Fire Warden.

During the year, the Fire Department responded to 10 calls for tree, brush, and grass fires.

According to State regulations and when weather permitted, outside burning permits were issued to allow Town residents to dispose of tree trimmings and light yard brush. The Fire Department responded to 21 incidents of unauthorized burning during the year.

We have added a more efficient system to renew your burning permits. With the upgrade of the Town phone system, we now have a dedicated line for outdoor fire permit renewal. Residents need only call 781-618-9872 to renew their permits.

I wish to thank the Fire Officers and Firefighters who helped me in the performance of my duties as Forest Fire Warden.

Respectfully submitted,

Timothy J. Grenno
Forest Fire Warden

HISTORICAL COMMISSION

To The Honorable Board of Selectmen and the Citizens of Whitman:

The Historical Commission consists of seven full time members and two associate members. Regular meetings are generally held on the third Tuesday of each month at 7:30 p.m. in the Historical Commission office, located on the second floor of the Whitman Town Hall. All meetings are posted and open to the public. Any interested citizen is welcome and encouraged to attend. We are also available by appointment for research assistance. We are currently trying to fill one-member seat, as well as two associate member seats.

The Historical Commission's main objective is to identify, describe and locate buildings, structures, objects, areas, burial grounds, landscape features, and sites that are of historical, architectural, or archeological importance to our community, state or nation. A comprehensive inventory of our town's historical assets will serve as a basis for all future preservation activities. This information is collected and recorded on survey forms provided by the Massachusetts Historical Commission and becomes a part of a statewide inventory and enables the staff at the Massachusetts Historical Commission and local preservationists to make consistent and informed decisions.

We have been working with the Veterans Agent to include World War II deceased veterans to our Gold Star Preservation Project.

In conjunction with the Town Clerks office we were able to have "Sketches of War" a civil war journal of local sons, to be preserved, and rebound.

We are very encouraged to see that the Whitman Historical Society, a private organization, is trying to re-establish itself, and we look forward to working with them as well.

We sadly report the passing of our oldest citizen, and guardian of the Boston Post Cane, Priscilla Caskin. She was 105+ years young. Imagine the changes in the world she experienced.

Thank you to all our members for their hard work over the last year.

Marie Lailer and Norma Gardner – Co-Chairmen
Michael Ganshirt – Clerk
Karen Marshall - Secretary
Michele Frank
June O'Leary

REPORT OF THE BOARD OF HEALTH

To the Honorable Board of Selectmen and the Citizens of the Town of Whitman:

In compliance with the General Laws of Massachusetts, we herewith submit our report for the year 2018.

At the Annual Town Election in May, Barbara J. White was re-elected for a 3 year term. During the reorganization of the Board of Health at their meeting on June 5, 2018, Eric F. Joubert was elected Chair, Barbara J. White as Vice Chair and Mary Kelly as Clerk.

The Board of Health is into its second year since taking over the Department of Animal Control. The Animal Control Officers, Laura Howe and Joe Kenney, continue to do a superb job assisting residents of the town on calls, giving the animals in need kind and proper care while being housed at the shelter, while maintaining immaculate quarters for them. Repairs and replacement of fencing at the shelter were completed to keep animals safe and contained. The Board would like to once again thank the Animal Control Officers for their competence and heartfelt interest in their jobs.

The Board continues to re-evaluate and update all regulations to protect the residents of the Town of Whitman.

For the fiscal year ending June 30, 2018, the Board turned in the following fees to General Revenue:

License to Distribute Food	70.00
Mobile Food Service Permits	540.00
License to sell Milk and Cream	210.00
Permit to Operate a Food Establishment	8,075.00
Permit to Cater Meals	50.00
One Day Food Permit	25.00
License to Manufacture Frozen Desserts	205.00
License to Pasteurize Milk	20.00
Heat & Serve Food Permit	75.00
Disposal Works Installer Permit	375.00
Septage Handler Permit	1,000.00
Dismantling On-site Septic System Permit	440.00
Rubbish Removal Permit	5,250.00
Permit to Pick Up and Transfer Medical Waste	50.00
Permit to Transport Bones and Grease	40.00
Tobacco Sales and Location Permit	2,100.00
Permit to Operate a Tanning Facility	200.00
Body Art Establishment Permit	600.00
Body Art Practitioner License	450.00
Body Art Practitioner License	25.00
Funeral Director Permit	225.00
Public & Semi-Public Pool Permit	200.00
Potable Well Permit	150.00
Barn Animal Permit	90.00
Code Violation/housing inspection fee	150.00
Total Receipts	\$20,615.00

The Health Inspector and Assistant Health Inspector investigate all complaints received through the Board of Health office. The Board is pleased to report that all food establishments and public schools are being inspected.

The office has continued using the electronic ticket record keeping through the Commonwealth Connect program for investigations and complaints. This electronic improvement continues to provide positive results for the office and residents.

Norwell VNA and Hospice was contracted by the Board of Health to provide Whitman's public health services for July 2018 – June 2019. Norwell VNA handles all follow-up for Whitman's communicable disease and holds various wellness clinics each month. Please follow us on the Board of Health's website for wellness clinic times.

Chapter 141, Sections 145B of the MA General Laws requires that all dogs and cats in Massachusetts be vaccinated against rabies. In April, the Board held its annual rabies clinic with Abington Animal Hospital. During the clinic, 55 cats and dogs received the low-cost vaccine. Because of the constant presence of rabies in raccoons and bats in Massachusetts, the Board strongly encourages residents to use extreme caution when dealing with wild animals and when treating domestic animals with a wound of unknown origin.

As of December 31, 2018, 3,467 on-site septic systems have been rendered permanently useless when the site was connected to municipal sewer thus eliminating potentially hazardous conditions.

On September 8, 2018, the Board along with the Towns of Abington and Hanson held its annual Household Hazardous Waste Collection Day. Many Whitman residents took advantage of disposing of hazardous waste properly. Look for the 2019 Household Hazardous Waste Collection event on our website. Please remember, if you are unable to attend our town's event you can contact the Board of Health's office to obtain a visitor pass to attend a South Shore Recycling Cooperative collection in another town.

The Board continues to offer a program for the collection of used syringes for Whitman residents at no charge. Please visit the Board of Health's website for details. At Town Meeting May, 2018, money was appropriated for a sharps collection kiosk to be located at the Whitman Town Hall. The Board is researching companies and plans to have the kiosk in place by the spring of 2019. Throughout the year, expired or unused medication should be brought to the Whitman Police Station and dropped in the secure box located in the lobby. Ni-cd (rechargeable) batteries and items containing mercury such as thermometers, light bulbs, and thermostats should be recycled at the DPW yard.

The Board continues to work in cooperation with all town departments to ensure a safe healthy environment for all citizens of the Town of Whitman. Please follow us at www.whitman-ma.gov for current information/updates.

Respectfully submitted,

Eric Joubert, RN, Chair
Barbara J. White, Vice Chair
Mary Kelly, Clerk

REPORT OF THE WHITMAN HOUSING AUTHORITY 2018

To the Honorable Board of Selectmen and the Citizens of Whitman:

Regular meetings of the Whitman Housing Authority are held on the second Monday of each month at 7:00 p.m. in the community building at Harvard Court. All meetings are open to the public and any interested citizen is welcome to attend. Special meetings are scheduled when necessary. All meetings are posted with the Town Clerk.

The Housing Authority's office is located at the Harvard Court Development and is open Monday through Friday from 8:30 a.m. to 4:00 p.m. The Board of Commissioners consists of three elected Whitman residents and one resident who is state appointed by the Governor. The authority has five full-time employees and three part-time employees. Housing staff and Board members attend Spring and Fall MassNAHRO Conferences and Legislative Day at the State House. Staff members also attend various workshops and association meetings throughout the year.

Under the Department of Housing and Community Development's "Agreed Upon Procedures" audit, there were no findings against the Whitman Housing Authority. The Authority manages 201 units of housing within the Town of Whitman. There are forty (40) units at Stetson Terrace, eighty (80) units at Harvard Court, forty-four (44) units at Pine Circle and eighteen (18) family units under the 705 Program. Also included are (17) certificates under the Alternative Housing Voucher Program and (2) under the Massachusetts Rental Voucher Program. In total, eleven (11) units are handicap accessible.

The Whitman Housing Authority continues to renovate units and improve the grounds of each development to maintain safe, affordable and clean housing for all tenants. All units are inspected annually by the Director and authority staff. Modernization projects completed in 2018 include the Harvard Court Fire Alarm Replacement Project, the Scattered Sites Chimney Tuckpointing Project and various boilers and hot water heater replacements. Numerous small projects and updates have also been completed as units are vacated.

Tenant rent is re-determined on an annual basis according to current income, assets and medical expenses. Anyone who wishes to apply for housing can call 781-447-6363 and an application will be provided. You may also find applications on our website at www.whitmanhousing.com.

Transportation is provided on Friday's for grocery shopping and to various town events throughout the year. Tenant managed Senior Bingo is played on Wednesdays and exercise class is held on Thursdays in the Harvard Court community room. A social worker is available for all tenants on Tuesdays, by appointment. Tenants are also encouraged to hold social events in the community rooms of their developments.

Special thanks and appreciation to the Whitman Fire and Police Departments for their assistance and compassion shown to the residents in times of need. To the Council on Aging, as well as other local service agencies and volunteers, much thanks for your help and assistance. To Senator, Michael Brady and former State Representative, Geoffrey Diehl, thanks for your dedication and support in preserving and modernizing public housing.

Respectfully Submitted,

Eileen Gibson, Executive Director
Katharine Kelleher, Chairman
Steven Green, Vice-Chairman
Robert McPhail, Treasurer and State Appointee
Patricia McKay, Asst. Treasurer

2018 ANNUAL REPORT OF THE BOARD OF LIBRARY TRUSTEES

To The Honorable Board of Selectmen and the Citizens of Whitman:

The Whitman Public Library has completed another successful and productive year. Detailed statistics collected through the Old Colony Library Network (OCLN) provide data enabling the Director and Trustees to offer relevant programs and materials to the 6,484 residents with library cards, their children, and other community members. 75,377 patrons visited our extremely busy and robust library. One out of every two Whitman residents choose to hold library cards and have borrowed materials within the past twenty-four months. The average patron borrowed 12 items each year. Circulation figures have remained steady with 80,943 items being borrowed from our collection. Providing high quality early literacy programming is paramount to the mission of the library as countless studies have shown a correlation with early exposure to books and an increased rate of literacy. We are pleased to report that 6,333 children and teens visited us for 198 story times, book clubs and various other enrichment programs in 2018.

We were pleased to offer adults 186 programs here at the library, including educational enrichment programs, book discussions, author presentations and film screenings.

The library also increased programming specifically targeting the adult learner, providing instruction courses on emerging technologies and basic computer skills. In response to overwhelming demand from the public, the library increased program offerings for both adults and youth this year. The library's programming for children, especially during the annual Summer Reading Program, continued to grow with 617 children and teens participating in the program, which is a 21 % increase from last year's participation.

This year the library was awarded several grants for adults and children. The largest grant the library received was from the Cultural Council of Whitman which allowed the library to put on several popular programs for patrons of all ages. The library is extremely grateful to the Cultural Council of Whitman for their generous support of our library.

The Adult Services and Children's librarians have used best practices and professional standards to improve the scope and quality of the collection, and to modernize our print and electronic offerings reflecting current trends. The largest increases in circulation were noted in our E-book collections with digital materials being checked out 19,037 times this year.

The most checked out items at the library in 2018 are as follows:

The most circulated Book for Adults was: *The Perfect Couple* by Elin Hilderbrand

The most circulated Book for Children was: *Dog Man and Cat Kid* by Dav Pilkey

The most circulated Film was: *Geostorm*

The most circulated item is the hotspot with 68 checkouts!

The library continues to act as a community meeting place for the residents of Whitman. This year our community room facilities were reserved 440 times by community groups to engage in civic and cultural endeavors. The recently renovated library foyer includes a new Art Space at the library with many local artists displaying their collections for the viewing pleasure of the community.

The library's website is constantly being updated and much information can be obtained there about programming, ongoing projects, policies and reservation information on programs and use of community room. The Long-Range Plan is also posted on the website. Outreach in other digital forms including Facebook, Twitter and Instagram also connect patrons to library services.

The Whitman Public Library remains committed to connecting all residents to free and reliable high-speed internet access. Our 17 public computer terminals saw an average of 168 users per week. Access to free wireless internet in the library continues to increase, with more patrons using the service than ever before

In today's increasingly digitally-connected world, it is essential that all patrons not only have access to the internet, but have the skills to navigate it. We remain committed to helping ensure that all of our students, job seekers, and the general public are digitally literate. We offer immediate computer assistance to all patrons and offer one-on-one training sessions for those looking for more in-depth instruction. The library staff provides reference help to any user who requires information, performing 4,950 reference transactions over the course of the year. For the convenience of our patrons, reference assistance may be provided on site, over the phone, or via email at info@whitmanpubliclibrary.org.

The Whitman Public Library continues to be the only place in the community that provides IRS tax forms, and, as more government forms have become accessible only through the internet, the library is the main location for citizens to obtain such information if they do not have internet access at home. Increasingly, the library offers resources to connect patrons with government services.

The library continues to work with our community schools during the year with homework help, purchase of databases and other materials, and computer access. Our annual Summer Reading Program encourages students to keep up with their reading, and the library purchases multiple copies of books assigned by the schools for summer reading homework.

For patrons unable to visit the library in person due to physical limitations, the Whitman Public Library offers "Library To Go", a free delivery service to homebound Whitman residents, regardless of age. Those with temporary disabilities (such as a broken leg, pregnancy or recovery from surgery) are also eligible. Patrons may call the library to register for weekly deliveries of books, movies, music CDs and audiobooks of their choosing. Those not sure of what they want can discuss preferences with the staff, who will select materials for them. This service is provided by a volunteer who delivers and picks up the books each week.

Andrea Rounds, our longtime director, accepted the director position at the Canton Library in July. While we are sad to see her go we wish her many future successes. Marcie Walsh-

O'Connor was hired in August to oversee the operations of the library in her capacity as director and the Board of Library Trustees looks forward to many years of her service to the townspeople of Whitman. Tyler Vachon was hired in October to serve as Assistant Director and Adult Services Librarian and continues to revitalize and invigorate the physical collection, as well as improve programming and technology services for adults. Stephanie Young, Youth Services Librarian, continues to focus on early literacy, engaging the children of Whitman in educational endeavors that will equip them with the skills needed as they grow up in our digitally-literate economy. Library staff members continue to develop new skills and improve library service by attending workshops, trainings and discussion groups. These sessions include such varied topics as collection development, new reference resources, technology training and programming ideas for children and adults.

Volunteers and Senior Tax Abatement workers continue to assist library staff with a variety of tasks such as phone calls, shelving books and book repair, as well as many other behind-the-scenes tasks. Their collective contribution of over 1,600 hours each year is acknowledged and honored by staff and Trustees with an annual reception in June. The service of all these volunteers is greatly appreciated.

The Friends of the Library continue to provide major support for library projects and children's programming. They fund both adult and children's programming and assist in purchasing materials and equipment for the library. Because of their generosity, the library was able to offer many children's events throughout the year, as well as several young adult and adult programs. They raise money by holding twice-yearly book-bake-and boutique sales in spring and fall. They also offer an ongoing book sale in the library, as well as other fund-raising projects. A Friends newsletter is distributed periodically and is available at the library for interested patrons.

Trustee Chair Susan Durand serves the greater library community as a member of the Massachusetts Library Trustees Association, a statewide organization of trustees, librarians, and friends of public libraries. The Director, staff members, Trustees and Friends also attend the annual Library Legislative events hosted by the Massachusetts Library System and the Old Colony Library Network to generate interest and support for budget initiatives presented for state funding by the Board of Library Commissioners.

The Trustees, director, and staff of the Library are committed to maintaining exceptional service to the community while constantly striving to improve their offerings in every way possible. Trustees, director and staff continue to provide townspeople with the very best library facilities, services and programming possible at the most reasonable cost.

REPORT OF PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

The Commissioners of the Plymouth County Mosquito Control Project are pleased to submit the following report of our activities during 2018.

The Project is a special district created by the State Legislature in 1957, and is now composed of all Plymouth County towns, the City of Brockton, and the town of Cohasset. The Project is a regional response to a regional problem, and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

The 2018 efforts were directed at larval mosquitoes starting with the spring brood. The Project ground and aerial larvicided 15,600 acres and this was accomplished using B.t.i., an environmentally selective bacterial agent. Upon emergence of the spring brood of mosquitoes, ultra-low volume adulticiding began on June 4th, 2018 and ended on September 7th, 2018. The Project responded to 16,758 requests for spraying and larval checks from residents covering all of the towns within the district.

Massachusetts Department of Public Health has developed an "Arbovirus Surveillance and Response Plan" for the state. The Plan creates a system which estimates the human risk for contracting Eastern Equine Encephalitis and West Nile using several factors including the number of infected mosquitoes. Based on guidelines defined by the Plan, all towns in Plymouth County Mosquito Project were at the "Low Level Risk" for Eastern Equine Encephalitis. We are pleased to report that in 2018 there were no human, or horse EEE cases in the district. There was one detection of EEEV in the mosquito population.

West Nile Virus activity was widespread throughout the state and the district. In 2018, Massachusetts saw record number human cases for the disease. Statewide there were 44 human cases, and 2 cases were in the district. Virus was found in mosquitoes 33 times in the district from the following towns: Abington, Bridgewater, Brockton, Carver, Cohasset, Halifax, Kingston, Lakeville, Middleborough, Rockland, West Bridgewater, and Whitman. On August 21st 2018, Massachusetts DPH took the unusual step of raising the risk level for the whole state to moderate risk. The Project responded to the increased risk by conducting additional adulticiding in areas we identified as being at higher risk for human infections. As part of our West Nile Virus control strategy a total of 51,959 catch basins were treated with larvicide in all of our towns to prevent WNV.

The Health threat of EEE and WNV continues to ensure cooperation between the Plymouth County Mosquito Control Project, local Boards of Health and the Massachusetts Department of Public Health. In an effort to keep the public informed, EEE and WNV activity updates are regularly posted on Massachusetts Department of Public Health website.

In conjunction with the MDPH we have been monitoring *Aedes albopictus* expansion in the state. *Ae. albopictus* is an introduced mosquito that has the potential to become a serious pest and a vector of disease. The mosquito has been present in the Massachusetts since 2009. The larvae live in containers and are closely linked with human activity. They are especially associated with used tires. We expanded our surveillance for *Ae. albopictus* to 13 sites. This year we did not detect the mosquito. The Project began a tire recycling program in October 2017. During the 2018 season we recycled 3,320 tires bringing us to a total of 6,690 tires for the program.

The figures specific to the town of Whitman are given below. While mosquitoes do not respect town lines the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of Whitman residents.

Insecticide Applications: Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. In Whitman 163 larval sites were checked.

During the summer 1483 catch basins were treated in Whitman to prevent the emergence of *Culex pipiens*, a known mosquito vector in West Nile Virus transmission.

Our staff treated 2802 acres using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in June and the last in September.

Water Management: During 2018 crews removed blockages, brush and other obstructions from 1325 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito production. This work, together with machine reclamation, is most often carried out in the fall and winter.

Mosquito Survey: Our surveillance showed that the dominant mosquitoes throughout the district were generally *Coquillettidia peturbans* and *Oc. canadensis*. In the Town of Whitman the three most common mosquitoes were *Cq. peturbans*, *Ae. vexans* and *Cx. pipiens/restuans*.

Education and Outreach: We continue to reach out to residents in a variety of ways. This year we updated our web site. The website includes web pages for meetings and the annual budget. It also includes educational handouts to provide more information and better describe all the Project's services.

We encourage citizens or municipal officials to visit our website at www.plymouthmosquito.org or call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

REPORT OF THE PLUMBING INSPECTOR

I respectfully submit the Annual report for the year 2018:

Fees collected	\$ 13,945
Permits issued	134
Number of Inspections	350

Mark Getchell
Plumbing Inspector

REPORT OF THE GAS INSPECTOR

I hereby respectfully submit the Annual report for the year 2018:

Fees collected	\$7,520
Permits issued	127
Number of Inspections	350

Mark Getchell
Gas Inspector

REPORT OF THE WIRING INSPECTOR

I hereby respectfully submit the Annual report for the year 2018:

Fees collected	\$21,649
Permits issued	250
Number of inspections	402
Fire Calls	27
Mutual Aid	3

Peter Palaza
Wiring Inspector

DEPARTMENT OF PUBLIC WORKS

The Town of Whitman Department of Public Works respectfully submits the 70th report to the Board of Selectmen and the Citizens of the Town of Whitman.

Highway, Maintenance, Park and Tree Department

The Department of Public Works Park and Tree Division had another busy year with the everyday work of maintenance and beautification of our Town ball fields, cemeteries, rotary, traffic islands, Town buildings and our historic Town park, along with the removal and trimming of hazardous trees throughout the town and planting of several new trees. This is a big job for our three man Park and Tree Division and we would like to publicly thank them for a job well done.

The Highway Division spent another year performing annual tasks such as street sweeping, basin cleaning, line painting, drainage system maintenance and repair to name just a few. Additionally the crew took on several major construction projects such as installing granite curbing on School Street, completing the Town Park pathway renovation, excavating for the new high school driveway area which saved the Town and the School District tens of thousands of dollars by not hiring a private contractor.

Our Highway Division crew members take pride in their skill and ability to perform these major construction projects that most Public Works Departments do not engage in. We would like to thank these men for their hard work completing these projects.

Our Maintenance Division Mechanics continue to do a great job keeping our aging fleet operational, which allows all Public Works Divisions to perform their necessary daily tasks.

Snow and Ice: The winter of 2017-2018 was another above average snow fall season with Whitman receiving a total of 72.5 inches, nearly double the average predicted snowfall of 40 inches per winter. This required 32 road salting operations and 8 full plowing operations utilizing all 17 DPW employees along with 18 private contractors to clear our roads. The total amount of road salt applied was 1,742 tons and our total snow and ice expenditure was \$266,700.75

Chapter 90: The Town, utilizing State Chapter 90 funding, was able to repave Pine Haven Drive, High Street, Diane Terrace, and School Street, which also had a new section of sidewalk installed.

Lastly, our crews worked two extraordinary storms, one of which was named "Riley" and although Whitman sustained relatively minor damage, we were able to participate in mutual aid by sending crews and equipment to the town of Easton which sustained heavy tree damage. The other unnamed storm created a serious flooding condition on Forest Street, requiring an around the clock response for two days utilizing large pumps borrowed from the State D.O.T. to prevent major residential damage.

Water and Sewer Department

The Water and Sewer Department continues to operate, maintain and inspect seventeen (17) Sewer pumping stations within the Town of Whitman on a daily basis.

The 20 inch Sewer Force Main which transports all of the Town of Whitman's sewage to the Advanced Wastewater Reclamation Facility in Brockton, once again, one year and one week from the first break, suffered another break.

The Town of Whitman was fortunate to be able to enlist the services of D'Allessandro Corporation again to repair the Force Main. As before, they mobilized a pump station bypass using Frac tanks, pumps, and tanker trucks to transport effluent directly to the Brockton Advanced Wastewater Reclamation Facility. The repair required the removal of a water main on Alger Street in Brockton, the excavation and replacement of the broken section of 20 Inch Force Main, the replacement of the Brockton Water Main, backfilling, and compaction and repaving of the effected section of Alger Street. Repairs were completed and the Auburn Street Pump Station was restarted and placed back in service with no cessation of sewer service to the Town of Whitman.

The Town of Whitman Department of Public Works Water and Sewer wishes to thank D'Allessandro Corp. and Russell Corner for their services.

During this year the department responded to, located and marked our water, sewer and drain lines for 571 dig safe requests within the Town.

Water meter accounts within the Town increased to 4,601. Faulty and older meters were replaced as needed. Water meters are read bi-annually.

Fire Hydrants were flushed, maintained and repaired to clean water mains and ensure proper operation of the hydrants. All fire hydrants were pumped dry and glycerin added as needed prior to freezing weather.

Daily water samples are taken from various locations within the Town to meet all requirements of the Department of Environmental Protection, the Environmental Protection Agency and to safeguard the quality of the Town's drinking water.

Throughout the year, daily services including leak repairs, final meter readings and responses to citizen requests, were completed.

We would like to take this opportunity to publicly thank Whitman Fire Rescue, the Whitman Police Department, the Technology Department, the Building Department and the Town Administrators' office for their continuous support throughout the year.

We close this report as we have done before by stating we are ever ready to aid the citizens of Whitman within the Town By-Laws and the Department of Public Works Rules and Regulations.

Respectfully Submitted,

Bruce Martin, Superintendent
Highway, Park & Tree Department

Dennis Smith, Superintendent
Water & Sewer Department

REPORT OF THE OLD COLONY PLANNING COUNCIL

To the Honorable Board of Selectmen and the Citizens of the Town of Whitman.

As your representative to the Old Colony Planning Council (OCPC), we are pleased to present this report on behalf of the Council for 2018.

The Old Colony Planning Council was established in 1967 by state statute and is authorized to prepare plans for the physical, social and economic development of the seventeen-member district. OCPC is designated as; an Economic Development District by the U.S. Department of Commerce for the coordination of regional economic development activities, and the Area Agency on Aging (AAA) by the Executive Office of Elder Affairs to plan, manage and coordinate elder services in a twenty-three community service area. OCPC is also designated the Old Colony Metropolitan Planning Organization (OCMPO) to plan and program transportation and transit improvements for the region.

In addition to the above-designated responsibilities, the Council also assists its member municipalities with technical planning, grant application preparation and current local and regional socioeconomic information.

During the past year, the Council completed the 2018 Comprehensive Economic Development Strategy (CEDS) Plan; the FFY 2019-2023 Transportation Improvement Program (TIP); the FFY 2019 Unified Planning Work Program (UPWP); the Brockton Area Transit – 2018 Fare Analysis Study, 2018 Service Change Equity Analysis and the 2018 Ridership Report. Additionally, the council conducted numerous Road Safety Audits, Intersection Analyses, and Transportation Technical Studies to the member communities. The Council also provided technical assistance to member communities under the District Local Technical Assistance (DLTA) Program. The DLTA funding was used in such areas as green communities' designation and reporting; regionalization; including aggregation of electricity, regional water and wastewater, as well as conducting a number of land use analyses, neighborhood economic, housing production plans, community compact and transportation analyses. The Council also provided assistance to the town of Plymouth on the decommissioning of the nuclear power plant, assistance to municipalities in the development of business associations and site finders, and provided a variety of economic development technical assistance. The Old Colony Area Agency on Aging (AAA) during the past year, with assistance and guidance from member community advisory committee members, has continued the ongoing administration of over \$1.6 million dollars of Federal and State funding for elder services. The OCPC-AAA administers and oversees funding for services like transportation, homecare, legal services, nutrition, and others to the more than 98,000 people age 60 and over in the region. In addition, we completed the 2018-2022 Area Plan on Aging. The OCPC-AAA continues to advocate on behalf of older persons from throughout the region. The OCPC-AAA Long-Term Care Ombudsman Program continues its efforts, with 1,128 visits to nursing and rest homes, investigating over 200 issues of concern from residents or families. In addition, OCPC continues to administer the Septic Loan Program for the Towns of Avon, Cohasset, Hanson, Kingston and Stoughton. During 2018, the Council processed approximately \$243,530 in loans for both septic systems and sewer connection for the communities under the Septic Loan Program.

One delegate and one alternate member represent each member community of the Council. The Council members establish policy, develop the work program, and employ and oversee the activities of the professional staff. The Council meets on the last Wednesday of each month at 7:00 PM in the OCPC offices located at 70 School Street, Brockton, MA. In 2018, the Council elected Frank P. Staffier, of Avon as Council President; Christine Joy, of

Plympton as Council Treasurer; and, Fred L. Gilmetti, of Whitman as Council Secretary. Pasquale Ciaramella serves as Executive Director of the Council.

The Council gratefully acknowledges the generous support and cooperation of its member communities and the participation and involvement of the many individuals who participate as members of committees. Special thanks are extended to the Joint Transportation Committee (JTC) Chair Noreen O'Toole; Comprehensive Economic Development Strategy Committee (CEDS) Chair Mary Waldron; and, the Area Agency on Aging Advisory Committee Chair Jennifer Young for their commitment, dedication and leadership during the past year. The Council also recognizes the work of local boards and commissions and the government agencies, public and private institutions and individuals who assisted the Council in its efforts.

Respectfully submitted,

Fred L. Gilmetti, Delegate
Daniel L. Salvucci, Alternate
Troy E. Garron, Delegate At Large

**NORWELL VNA AND HOSPICE - WHITMAN BOH REPORT
COMMUNITY/PUBLIC HEALTH ACTIVITIES
2018**

Established in 1920, NVNA and Hospice is the only independent, non-profit home health care and hospice agency serving the South Shore. The agency's mission of Neighbors Helping Neighbors continues as it serves nearly 600 patients a day, and offers an average of 47 community health screenings, educational programs and support groups each month in more than 27 communities on the South Shore including Whitman. NVNA and Hospice has received consecutive HomeCare Elite awards placing it among the top agencies of the nation. Our contract began July 1, 2012 with the Whitman Board of Health for our staff to provide nursing services: offering public health screenings and health education free to the residents of the town. We currently have office hours weekly in the Town Hall, and monthly BP clinics at the Senior Center and Harvard Court.

Our Statistics for the 2018 calendar year, for services provided to the Town of Whitman, are stated within this report.

Clinic Loca- tion	#of clinics	Hours	Encounters	BP	BS	Meds	Other
Town Hall	49	73.5	178	172	14	16	28
COA	12	12	51	51	1	1	13
Harvard Court	12	12	35	35	0	0	17
Totals	73	97.5	264	258	15	17	58

Encounters classified as other consist of inquiries/visits related to questions/education specific to local health resources, public health information, and medication review and disease education.

Reportable Communicable Diseases:

#	Disease
28	Lyme Disease
41	Hepatitis C
1	Hepatitis B
1	Giardiasis
52	Influenza
2	Varicella
2	Strep Pneumonia
1	Tick-borne
2	HGA
5	Salmonellosis
3	Campylobacteriosis
2	Babesiosis suspect
1	Group A Strep
2	Group B Strep

Confidential case follow-up was done when required by the Massachusetts Department Of Public Health.

Norwell VNA and Hospice is grateful to Whitman's Town Boards for providing office space in the Town Hall. Open office hours are held in the Town Hall office on Tuesday afternoons from 1-2:30 pm. Additional information can be obtained by calling 781-610-1459.

The communication and support from the Board of Health continues to be crucial to the success of our program. A special thank you to Elaine Williams, Administrative Assistant, and Alexis Andrews, Health Inspector, for their support.

Respectfully Submitted,

Trish Kelleher, RN

**REPORT OF THE
PLANNING BOARD**

To the Honorable Board of Selectmen and Citizens of the Town of Whitman:

During the past year, the Planning Board received 2 plans submitted as “not coming under subdivision control” as a Form “A” submissions. Of these submissions, 2 plans were approved. The Board reviewed 29 plans that were coming before the Zoning Board of Appeals and made recommendations to the Board. Of these plans, 8 were recommended for approval, 17 were recommended for denial and 4 were without recommendations. The plans coming before the Zoning Board are reviewed and voted on the merits of the plans presented without the benefit of explanation from the applicant as would be available during a Zoning Board Public Hearing.

There was 1 Definitive Subdivision plan submitted this past year that was approved with conditions and waivers.

The Planning Board wishes to acknowledge and thank P.M.P. Associates and Ross Engineering, our consulting engineers, for their comments and assistance with items and plans brought before the Board during this past year.

The Planning also wishes to thank the citizens of the Town and the members of other Town Boards for their assistance and cooperation during the past year. We ask for, and need, your continued support.

Form “A” Applications approved	2
Form “A” Applications denied	0
Form “A” Applications withdrawn	0
Definitive Subdivision Plans approved	1
Definitive Subdivision Plans denied	0
Roadway Improvements.....	0
Zoning Board applications recommending approval.....	8
Zoning Board applications recommending denial.....	17
Zoning Board applications no-recommendation	4
Zoning Board applications significant change	0
Zoning By-Law Amendments	1

Adam J. Somerville

REPORT OF THE WHITMAN POLICE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of the Town of Whitman:

I am pleased to submit the Whitman Police Department's Annual Town Report for 2018.

We had thirty-six overdoses in 2018 and two of them were fatal. The total number of overdoses and fatal incidents decreased from the previous year. Narcan was administered twenty-eight times out of those thirty-six overdoses and twenty-six were considered a "Narcan save". Sixteen of the overdoses in Town were non-resident individuals. We participate in an Overdose Critical Incident Management System that allows us to track overdoses throughout Plymouth County within minutes of them occurring. We conduct follow-up visits to offer help through services and resources to the addicted person as well as the family. We remain partners with the Brockton Mayor's Opioid Overdose Prevention Coalition, the Whitman Hanson WILL Coalition and Plymouth County Project Outreach and EB Hope.

The Whitman Police Department along with five other area departments, is participating in a grant that brings a dedicated health clinician to our department to assist us with calls that involve mental health concerns. The clinician is dedicated to each department at least one day per week and is also on call. We view this partnership as one more example of being responsive to the needs of the community that we serve, and the willingness to take an innovative approach to addressing the issue of mental health.

The Whitman Police Department has continued its partnership with the WEB Task Force and we continue to benefit from this partnership. Through the WEB Task Force we are able to call upon personnel and equipment at a very minimal cost. This affiliation is a cost-effective tool that allows us to investigate illegal narcotics, property crimes and criminal activity requiring extensive resources.

We have also continued our partnership with S.E.M.L.E.C. (Southeastern Massachusetts Law Enforcement Council). This includes twenty-seven southeastern municipal police departments and provides a number of services that are instrumental in the fight against crime. The S.E.M.L.E.C. Units are the Search and Rescue Team, Rapid Response/S.W.A.T Team, Marine Unit and Dive Team, Critical Incident Stress Team, Bicycle Unit and Motorcycle M.O.P. (Mobil Operation Patrol) Team.

Officer Kevin Harrington continues to instruct the D.A.R.E. Program and teaches a prescribed curriculum to grades K-8. He works closely with the School Resource Officer (SRO) from the Hanson Police Department in regard to any issues at the high school. Officer Harrington and members of the police department also have a daily presence at school drop off and pickup times to ensure the safety of the students.

Members of the police department receive annual in-service training each year. Training focused on CPR/AED and First Responder, Legal Issues, Police Interactions with Persons with Mental Illness, Integrating Communication Assessment and Tactics (ICAT) Defensive Tactics Skills and Active Shooter. Other specialized training for the year 2018 included New England Law Enforcement Executive Development Training Seminar hosted by the FBI, Matron Training, Command Staff Training, Public Records Law Training, First Amendment Rights and Social Media Seminar.

We appointed twelve new Civil Service Reserve Intermittent Police Officers. These appointments allow us to evaluate them while they are serving in this capacity for possible future full-time employment. This also gives the department additional personnel that can be called upon for coverage during events and critical incidents.

The Whitman Auxiliary Police Department volunteers thousands of hours each year to the Town of Whitman. They provide coverage that supplements the police department for parades, storm coverage and special events. I want to express gratitude for the dedication and service that these men and women provide to the Town of Whitman. I especially wish to express my sincere gratitude, admiration and respect to Officer John Cannizzo for his dedication, professionalism and loyalty in leading the Auxiliary Police Department.

I want to extend my gratitude to the Crossing Guards who are out in all types of weather, making sure all the children are able to get back and forth to school safely.

I want to thank the DPW for the countless hours of work they put into maintaining the Whitman Police Department premises. They do an outstanding job every year and are always there when we need them.

To Whitman Fire and Rescue Chief Timothy Grenno, who I work closely with throughout the year on public safety issues, I want to express my sincerest gratitude. His dedication, professionalism and guidance make working with him a true pleasure.

I would like to thank all of the men and women of the Whitman Police Department for their dedication, professionalism, and assistance in helping me carry out the operation of the Whitman Police Department.

I would also like to thank the members of Whitman Fire and Rescue for their dedication and team work when responding with us on calls for service.

I want to extend my deepest gratitude and appreciation to Deputy Chief Timothy Hanlon, Administrative Assistant Katrina Patton, Special Officer/Matron Joyce Gunter and Records Clerk Tracy Briggs for their commitment, professionalism and loyalty. They are the backbone of the department and the key reason that we operate with such high efficiency and effectiveness.

I would like to thank The Board of Selectmen, Town Administrator Francis Lynam, Assistant Town Administrator Lisa Green, Town Administrative Assistant Laurie O'Brien, DPW Superintendent Bruce Martin, Finance Committee and all other Town Departments, Boards and Committees that have provided me with guidance and counsel throughout the year.

Respectfully submitted,

Scott D. Benton
Chief of Police

RECREATION COMMISSION

To the Honorable Board of Selectmen and the Citizens of Whitman:

The Recreation Commission consists of five voting members and two associate members. Regular meetings are usually held on the first Wednesday of each month at 6:00 p.m. in the Recreation Office located in the lower level of Town Hall. All meetings are posted and are open to the public. Any interested citizen is welcome and encouraged to attend. Please contact us at 781-618-9758 if you are interested in serving on the Recreation Commission.

The Recreation Commission serves the community by organizing recreational programs, activities, and events as well as scheduling the use of the town's athletic fields and facilities including the Whitman Middle and Conley School Fields, World War 2 Memorial Field, Town Park and Lower Park Fields.

Our 2nd annual Spring Vacation Program for children ages 6-12 went very well and had over 40 participants. The Recreation Department held its first Easter Maze Egg Hunt at the town hall auditorium. Over 600 people participated. The Whitman Public Library was there with arts and crafts projects for the children and the Easter Bunny was also there to take pictures with the children.

Family and friends shared July 4th festivities at our 50th Annual Family Fun Day at the Whitman Town Park. Events included sack races, dunk tank, water slides and numerous outdoor activities. Family entertainment was enjoyed by all. This was followed by a free afternoon of family swim in the Town pool.

Our Aquatics Programs had a successful season and nearly doubled the amount of participants from the previous year. Certified Water Safety Instructors conducted swim lessons daily for 4 sessions, including morning and evening classes. Our Whitman Swim Team had a very successful season participating in several swim meets both home and away. A season Family Pool pass for Whitman Residents was available for \$95.00. The pool is available for private party rentals outside of the open swim hours.

Our seven week Summer Park Program for youth ages six through twelve was very successful and continues to grow every year. Children enjoyed field games, sports, contests, arts and crafts, field trips, daily use of the Town pool and various special weekly events. This program is a wonderful opportunity for summer fun and outdoor activity for our youth.

In 2018, we rolled out many new programs and events - Summer 3 on 3 youth Basketball League, Easter Egg Maze Hunt, the Xtreme Adrenaline Run Obstacle Course, Summer Movie Night Under the Stars, Yoga in the Park, Spooky Town Haunted Maze, Tether Ball Tournament and many more.

This year the Recreation Commission and Whitman & Hanson Dollars for Scholars joined together in sponsoring The Great Pumpkin Classic Car Show. This event was a great success for both organizations.

Many residents came out and enjoyed our 4th Annual Christmas Festival. Children were able to visit Santa and Mrs. Claus, and enjoyed free cookies and deserts at the Town Hall. Other activities included arts and crafts, Christmas story time, jumpers and slides, build a teddy bear, face painting, holiday music and a Christmas train ride in the park,

Whitman Recreation has enjoyed cooperative relationships with many town departments, commissions and committees and has been able to provide a number of events in conjunction with these groups. We look forward to continued mutual support and appreciate the opportunity to serve our community together.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

To The Honorable Board of Selectmen and the Citizens of Whitman:

I herewith submit the Annual Report for the year ending December 31, 2018.

During the calendar year 2018, a total of one hundred sixty-two (162) measuring devices were sealed. No devices were condemned for failure to meet prescribed standards.

The following is a summary of measuring devices inspected and tested:

Scales and Balances

1,000 to 5,000 pounds	2 Sealed
100 to 1,000 pounds	2 Sealed
10 to 100 pounds	55 Sealed
Under 10 pounds	5 Sealed

Weights

Avoirdupois	3 Sealed
Metric	None
Apothecary	None

Liquid Measuring Meters

Gasoline	80 Sealed
----------	-----------

Diesel Fuel	8 Sealed
Spring Water Dispensers	None
<u>Fabric Measuring Devices</u>	None
<u>Linear Measures</u>	None
<u>Container Redemption Machines</u>	3 Sealed
<u>Scanning Systems</u>	4 Sealed

The total of \$3,450.00 was collected for the above inspections. All fees were collected and submitted to the Town Treasurer prior to the end of the calendar year.

Sealing equipment owned by the Town was tested and re-certified by the Commonwealth of Massachusetts Weights and Measures Lab.

I wish to express my appreciation to the Board of Selectmen and staff for their assistance in helping me carry out my duties.

Respectfully,

Robert S. O'Rourke
Sealer of Weights & Measures

SOUTH SHORE REGIONAL SCHOOL DISTRICT WHITMAN TOWN REPORT 2018

School Committee

The South Shore Regional School District is represented by eight appointed School Committee members, one from each town.

*Thomas Petruzzelli – Abington
George Cooney – Cohasset
Robert Heywood, Vice Chairman – Hanover
Christopher Amico, Chairman – Hanson*

*Robert Molla – Norwell
Robert Mahoney – Rockland
John Manning – Scituate
Daniel Salvucci – Whitman*

Vocational Technical Programs

South Shore Vocational Technical High School continues to serve its 645 students and their families by providing a high quality vocational technical education, preparing its students for life's many options after high school, including direct workforce employment, college success, and a combination of the two. The school offers 13 vocational technical majors, including:

Allied Health, Automotive Technology, Automotive Collision Technology, Carpentry, Computer Information Technology, Cosmetology, Culinary, Electrical, Design & Visual Communications/ Graphic Communications, Heating, Ventilation, Air Conditioning & Refrigeration,

Horticulture & Landscape Construction, Manufacturing Engineering Technologies, and Welding & Metal Fabrication.

Whitman Graduates

There were 145 students from Whitman who attended SSVT during the 2017-18 school year. On June 8, 2018, the following 32 graduates from Whitman received diplomas and vocational certificates at the graduation ceremony held at the South Shore Music Circus:

<i>Sarah Balch</i>	<i>Rosa Gachia</i>	<i>Isabella Pacheco</i>
<i>Colin Bates</i>	<i>Joseph Gallahue</i>	<i>Tyler Pattison</i>
<i>Liam Bates</i>	<i>Bryan Gianunzio</i>	<i>Adriana Reis</i>
<i>Jessica Beeloo</i>	<i>Jenna Grande</i>	<i>Alisha Ribeiro</i>
<i>Zachary Carignan</i>	<i>Leo Johnson</i>	<i>Tyler Richards</i>
<i>Jacob Chandler</i>	<i>Matthew Kirby</i>	<i>Erin-Lyn Riley</i>
<i>Alexis Coates</i>	<i>Michael Kresge</i>	<i>Leroy Scott</i>
<i>Devon Conroy</i>	<i>Gregory Leone</i>	<i>Michael Spathanas</i>
<i>Amanda Crowley</i>	<i>Alysa Lowe</i>	<i>Andrew Walsh</i>
<i>Alexander Driscoll</i>	<i>Patrick McCollem</i>	<i>Jason Watt</i>
<i>Elizabeth Flynn</i>	<i>Amanda Miller</i>	

Third-Party Credentials

Students at SSVT have opportunities to earn industry recognized credentials that give them a competitive advantage as they head into the workforce. Such credentials include OSHA Safety 10-Hour Card (all programs), ASE Certification (Automotive and Collision Repair), Power Actuated Tools (Carpentry), MTA/MCP/Networking & Windows OS, IC3 (Computer Info Tech), Cosmetology State Board Licensure, ServSafe Sanitation & Allergen Awareness (Culinary), Certified Nursing Assistant, CPR, First Aid, Home Health Aide, Feeding Assistant (Allied Health), Adobe Certified Associate for Print & Design Media (Graphics/Design & Visual Communications), EPA Universal and R410a Safety (environmental certificate) (HVAC), MACWIC Level 1 & 2 (Manufacturing Engineering Technologies), AWS D1.1 All Position & NFPA Hot Work Safety (Metal Fab Welding).

Cooperative Education

The Cooperative Education program, designed for vocational technical students, provides an opportunity for students who, through a cooperative arrangement between the school and employers, receive instruction, including required academic courses and related vocational instruction, with a job in his or her specific occupational field. This instruction is planned and supervised by the school and the employer so that each contributes to the student's education and employability. For students at South Shore Vocational Technical High School, work periods and school attendance are on alternating five-day cycles. All senior students in good standing are eligible to participate in the Cooperative Education program at South Shore.

Student Organizations

The Student Council at South Shore promotes communication between the school administration and the student body. Leading by example, the members of the student council promote student leadership, democratic decision making, and student body engagement. In addition to student led activities and volunteer work, student council officers also represent the student body on the School Council and at School Committee meetings.

South Shore students also participate in national co-curricular student organizations. SkillsUSA and Business Professionals of America provide educational and leadership activities for students which are designed to build leadership, teamwork, citizenship, and character development. Through a carefully designed curriculum and opportunities for

competition at the district, state, and national level, students build and reinforce self-confidence, work attitudes, and communication skills. Co-curricular organizations emphasize total quality of work, high ethical standards, superior work skills, life-long education and pride in the dignity of work.

Planning for the Future

In an effort to stay on top of facilities’ needs, we have submitted a fourth application to the MSBA’s CORE program. We need to modernize our 1962 building and evaluate ways to expand. We strive to serve our students with 21st century technology and modern instructional space within the confines of a well maintained, mid-20th century building. We are currently building a greenhouse and converting a barn into lockers rooms and space for our Horticulture program. We are very proud of our students and staff and continue to appreciate the support of Whitman’s residents and area employers.

Respectfully submitted,

Daniel L. Salvucci

Middleborough Norwell Plymouth Rockland Scituate Weymouth Whitman

REPORT OF SOUTH SHORE RECYCLING COOPERATIVE 2018
1/25/2019

The South Shore Recycling Cooperative (SSRC) is a voluntary association of fifteen South Shore towns. It was established by Intermunicipal Agreement and Special Legislation in 1998 to help member towns improve their recycling programs, and reduce the amount, toxicity and cost of disposal.

Members of the SSRC are: **Abington, Cohasset, Duxbury, Hanover, Hanson, Hingham, Hull, Kingston, Middleborough, Norwell, Plymouth, Rockland, Scituate, Weymouth, and Whitman.** Representatives from each member town are appointed by Chief Elected Official(s) (*list attached*).

2018 was a historically challenging year for our recycling programs. Markets for mixed paper, mixed plastics and glass suffered severe contractions due to China’s embargo and the closure of our local glass plant. Metal and cardboard values were impacted. Costs for

electronics and hazardous waste increased. Many of our recycling outlets either closed, or raised pricing and quality requirements in response.

The SSRC continues to help its Member Towns navigate this new normal by monitoring and reporting the changes locally and globally, seeking out the most advantageous vendor options and pricing, and aggressively helping with resident education to improve material quality.

All fifteen Members signed new five-year Intermunicipal Agreements last spring, a testament to the value their membership in the SSRC provides.

In FY2018, the SSRC raised **\$104,506.74**: \$72,400 from municipal member dues, \$1,250 in sponsorships, \$28,240.35 in grant funding, \$2,511.17 in donations, and \$105.22 in interest. Those funds pay for the services of the Executive Director, the Recycling Education and Compliance Officer, and for waste reduction and recycling activities that benefit our member towns. In addition to technical assistance, these activities **saved /earned Member Towns \$200,088** in 2018.

MATERIALS MANAGEMENT

Household Hazardous Waste Collections - The SSRC bids and administers a contract on behalf of its Member Towns for Household Hazardous Waste Collections. Member Towns also saved staff time to bid, schedule and publicize collections. The Executive Director assisted at all twelve events, and administers the billing.

The contract provided much lower costs than the State Contract through June, so low that the service provider barely broke even. With fewer vendors and more demand, our new contract provides an additional volume discount that is not in the State Contract, but all other terms are the same.

1,800 residents attended our **twelve collections** in 2018. The **reciprocity policy** also enabled a record **319 residents** attend other Member Towns' collections. This arrangement qualifies member towns for additional **Recycling Dividend Program** points, and earned them an extra **\$22,500** in grant money through that program.

The total cost savings and benefits of the HHW program in 2018 is estimated at **\$50,013**.

General Recyclables – Major disruption in recyclables markets continued through the year. The SSRC is helping our Towns' programs and residents adapt to more stringent quality standards through the services of our grant-funded Recycling Education and Compliance Officer, and guidance by the Executive Director. (see introduction for more)

Other Materials – The SSRC has enabled its Members to save money, find better service and/or earn rebates for:

Electronic waste

Smoke detectors

Textiles

Brush and compost management.

Propane tanks

Mercury bearing waste

PUBLIC OUTREACH:

Recycling Education and Compliance Officer (RECO) – The SSRC hire a dedicated field staffer with a 2-year, \$82,000 grant from MassDEP. She works directly with residents to improve recycling quality and quantity. This reduced staff time, and/or disposal and processing costs for the towns that enlist her services.

In 2018, she worked in thirteen of our Member towns. The project will be completed in mid-2019.

Radio PSAs – With funding from MassDEP and Covanta SEMASS, the SSRC recorded and aired 6 PSAs for 10 weeks on WATD FM. They covered plastic bags and food in recycling, textiles and composting, and proper disposal of mercury containing products. This helped our towns to qualify for MassDEP incentive grant funding.

“Refrigerator door prizes” - The SSRC distributed thousands of 5"x8" handouts, purchased with grants. The graphics clarify what is and is not recyclable, and direct the reader to the SSRC website.

Signage – All our Member towns have received “Do not bag recyclables” signs for transfer stations and other public display, through a MassDEP grant. Display of these signs helps our towns earn incentive grant money. See graphics at end of report.

Website - ssrcoop.info provides both general and town-specific recycling and household hazardous waste collection information, meeting minutes and annual reports, a monthly newsletter, and links to other sites. It logged 52,177 page views in 2018, 21% more than in 2017. 75% of visitors were new.

Facebook: The SSRC posts waste reduction and recycling tips regularly on its new Facebook page, which has 255 followers.

Press Contacts - The SSRC is a resource to and a presence in print, web and cable media. It was featured in or consulted for several print articles, radio broadcasts and online media, including WGBH. They can be found in the News and media section of the website.

Resident Contacts – The Director fielded over 118 calls and emails from residents and businesses in 2018. She advised how to properly dispose of everything from wooden pallets to a broken Ski Doo.

ADVICE, ASSISTANCE AND NETWORKING.

The Executive Director's help is frequently sought by the solid waste managers. She stays current on local and national solid waste issues, attending conferences, meetings and webinars, visiting local disposal and recycling facilities, and reading professional publications. She attended Selectmen, Board of Health and DPW meetings, and provided advice and help on a **wide range of issues** including: Recycling, disposal and collection contracts, regulatory language, recyclable billing and rebates.

Regional meeting: The Director organized a “summit” meeting with MassDEP and several towns with a common service provider that was challenging their existing contracts.

Glass alternative outlets: When the glass recycler upon which the entire state depended closed, the Director aggressively sought out and identified several alternative outlets and options.

Grant assistance - The SSRC helped **the majority of Member Towns** submit their DEP Data Surveys and/or DEP Grant applications. Maximizing grant funds is a frequent topic at our Board meetings as well.

Membership in SSRC qualified our Member Town’s for an additional **\$36,400** Recycling Dividend Program funds, which provided a total of **\$151,700** in grants to fourteen of our Towns.

Newsletter - The SSRC publishes monthly [Updates](#), which are emailed to 525 subscribers.

ADVOCACY

The Executive Director worked actively with the Mass. Product Stewardship Council and our Beacon Hill delegation to promote legislation the Board deems beneficial to its solid waste programs. 2018’s focus legislation concerned packaging, mattress and paint producer responsibility, and electronics right to repair.

The Director represents the Board on the MassDEP Solid Waste Advisory Committee.

The SSRC exists to assist its member towns in improving their solid waste disposal and recycling functions. It always welcomes suggestions on how it can better serve its Members.

Respectfully submitted,

Claire L. Galkowski, Executive Director

WHITMAN EMERGENCY MANAGEMENT AGENCY

To: Honorable Board of Selectmen and the Citizens of Whitman

The year of 2018 was a steady year for Emergency Management even with the limited storm and blizzard events.

Homeland Security planning, training and response was continued on a national and local level. FEMA requested responses for training in Incident Command, Regional Resource Control and Emergency Response.

Whitman Emergency Management continued with our Regional partnership of the Sachem Skill Emergency Management Planning Zone, which included the Communities of Whitman, East Bridgewater, Bridgewater, West Bridgewater, Raynham, Halifax and Hanson. This Emergency Zone Group has taken the lead in Emergency preparedness on a regional basis. We are pooling our resources, established two regional shelters, and train as a regional team. This will provide for a more efficient use of personnel and resources, and provide continuity to our area regarding emergency management and sheltering.

The Community Emergency Response Team (CERT) continued its training and service throughout the year. The group was activated for a variety of incidents during the year and performed professionally as they always do. Additionally, the CERT Rehab Unit provided refreshments and shelter at all working fires in Whitman and local area towns as requested.

In all major emergencies, we coordinated our operations with the MEMA Region II office in Bridgewater and State EOC in Framingham. Regular meetings are held by MEMA Region II with information and training for all area directors and personnel to coordinate local and state plans for handling emergencies.

Federal assistance and grant reports to State and Federal Emergency Management are coordinated by Administrative Assistant, Lisa Riley. Notifications of CERT meetings and events as well as emergency response call out to volunteers are also performed by Mrs. Riley.

Thank you to Deputy Fire Chief Joe Feeney, Deputy Director Operations, and Police Chief Scott Benton, Deputy Director Security, for their support and assistance throughout the year.

A special thank you needs to go to my Administrative Assistant Lisa Riley, her dedication to this Town and expertise with FEMA and MEMA policy is to be commended.

I thank all the town officials who have assisted me in fulfilling the requirements of this agency. Thanks to our CERT members and volunteers for the many hours given up to assist us at incidents throughout the year.

Also, thank you to the citizens of Whitman for their cooperation and understanding during some difficult times during the incidents. It has been my privilege to serve you.

Respectfully submitted,

Timothy J. Grenno
Director, WEMA

INFORMATION TECHNOLOGY

Contact Information:

Director of Technology:	Josh MacNeil
Office Hours:	Monday – Friday 8:30 AM – 4:30 PM
Address:	54 South Ave, Whitman, MA 02382
Telephone:	781-618-9780
E-Mail:	jmacneil@whitman-ma.gov
Town Website:	www.whitman-ma.gov

To: Honorable Board of Selectmen and the Citizens of Whitman

I am pleased to submit The Technology Department's Annual Report for fiscal year 2018.

I would like to thank the residents of Whitman for their continued support of Information Technology and the FY2018 budget. It was a very difficult year financially, but with the appropriate funding we were able to replace outdated equipment and continue our efforts on properly maintaining systems per manufacturer recommendations.

Our efforts to implement a centralized datacenter continue to reduce overall costs while providing services for various departments. We always look for creative ways in which we can provide the same level of service to our constituents. There are a number of ways to accomplish the same tasks and making small changes can yield significant savings over time.

We are collaborating more than ever with surrounding cities and towns and continue to work together on various projects in an effort to save money. In many cases we share the same goals throughout our communities and it makes more sense to standardize the equipment and services we procure so that we can share costs where possible in an effort to reduce any implementation or annual maintenance costs. The projects that we have completed together are great examples of how regional procurement can help communities make purchases that may not otherwise be possible without significant capital requests.

In an effort to keep the community more informed, we continue to enhance our social media presence and many departments share information faster and more efficiently on their social media sites every day. In many cases messages received by various departments are answered within an hour.

We also continue to look at ways we can improve internal business processes in an effort to save money while still providing the best possible service.

I want to thank all Town departments for their patience and understanding; together we continue making a difference in every department by reviewing what was "standard practices" and adjusting some operations by automating certain tasks that would otherwise still be considered manual tasks. We worked through a number of complex projects to increase efficiency and in the end learned that there are many ways to accomplish the same task.

HOW TO RECEIVE ELECTRONIC INFORMATION FROM THE TOWN:

Social Media and the Town website continue to be a great resource for the community. We post Town-related information on our website, by email, Facebook and Twitter.

CivicReady – Residents are encouraged to sign-up so they may be contacted in the event of an emergency. A CivicReady link is available on the Town website. For those with VoIP phone service such as (Comcast) we also encourage you to add your cell phone number to the CivicReady system as well.

The Town's Website – The website is updated on a daily basis and all news and calendar events are automatically posted on the Town of Whitman Facebook page and Twitter feed.

Meeting Calendar – The calendar is a resource for finding out when meetings, elections, Town Meeting, and other events are held – The calendar also links agendas and minutes for many events and meetings.

Community Calendar – The calendar has been setup to share many of the great events scheduled at various buildings including the public library, senior center, and schools.

Email – You can sign up to receive email alerts from various Town departments using the Notify Me link on the Town Website.

Facebook – “Like” The Town of Whitman on Facebook for another informational resource

Twitter – Follow us on Twitter @TownOfWhitman if you prefer this method of receiving information.

Several Town departments including Police, Fire, Public Works, Recreation and the Historical Commission have an active Facebook page and some have a Twitter feed as well.

All links to social media accounts are available at www.whitman-ma.gov/socialmedia

You can also report quality of life concerns via Commonwealth Connect at www.whitman-ma.gov/commonwealthconnect

Respectfully Submitted,

Josh MacNeil
Director of Technology

REPORT OF THE VETERANS' SERVICES OFFICE

To the Honorable Board of Selectmen and the Citizens of Town of Whitman:

I respectfully submit the Annual Report as Director of Veterans' Services/Veterans' Service Officer.

All Veterans' Service Officers administer benefits pursuant to Massachusetts General Law (M.G.L.) Chapter 115 and the Commonwealth of Massachusetts Regulations (C.M.R.) 108 to eligible veterans in need.

In fact, the Commonwealth of Massachusetts is the only state in the union, which by state law provides **Medical, Burial, Housing, Clothing, Food, Employment and Financial** assistance, as well as any other necessary support to Veterans and their dependents, with dignity and sensitivity.

Throughout the past year, your Department of Veterans' Services has assisted Whitman residents with the following:

Chapter 115 – Benefits paid to town veterans/dependents for the calendar year 2018 totaled \$187,000

Annuity Payments – for blind, paraplegic, 100% disabled veterans and Gold Star parents and spouses.

Veterans Administration benefits – Dependency and Indemnity Compensation (D.I.C.) for surviving spouse or children.

Veterans' Application for VA disability compensation or pension.

Military Records Retrieval and Retention for Discharge or for Medical Assistance.

Education Assistance and Employment Counseling.

Medical-Explanation of various Federal and State medical plans.

Alcohol and Drug dependency – Counseling/Referral.

Other state benefits offered from the Commonwealth are Active Duty Discharge Bonuses; Outreach and Housing; Property, Automobile and Excise Tax exemptions; and Veterans License Plates.

Over the course of the past year, this office has received and disseminated new information to Town veterans/dependents regarding Nursing Homes, Soldiers Homes, V.A. National Cemetery (Bourne, MA) as well as two State Veterans Cemeteries (Agawam and Winchendon); provided assistance to many needy veterans in conjunction with the American Legion Post #22, Veterans of Foreign Wars Post #697, Disabled American Veterans Chapter #119 and the Council on Aging; coordinated with the Fire and Police Departments for the annual Memorial Day parade and ceremonies and the Tri-Town Veterans Day parade.

Respectfully submitted,

Thomas A. McCarthy
Director of Veterans' Services

PERSONNEL DIRECTOR REPORT

In the fiscal year ended June 30, 2018, the town of Whitman employed 99 full-time employees and 144 part-time and/or casual employees. The breakdown by department is as follows:

Police - Full Time Officer	26	26	
Fire - Full Time Officers	25	25	
Public Works	21	21	
Library (6 FT, 2 PT, 3 Subs	11	6	5

Recreation - All Part Time	38		38
Senior Volunteer Program	24		24
Weights & Measures PT	1		1
	267	99	168

Of the 267 individuals represented in the above table, 24 persons are part of the Senior Volunteer Program. These senior citizens volunteer 100 hours each year assisting in various departments, and receive in exchange for those hours, an \$800 tax abatement on

their real estate tax bill. While not considered employees for federal and state tax purposes, the Town is required to pay Medicare tax on the value of the abatement.

On December 11, 2017 the Town voted to adopt a single contribution percentage for all Town health insurance participants at 65% of the premium, effective January 1, 2018. Prior to this change, the town paid 75% for individual plans and 50% on family plans due to a cap imposed on May 1, 2006.

The following is a list of wages paid to all town employees for the Fiscal Year ended June 30, 2018:

BUILDINGS FACILITIES AND CAPITAL EXPENDITURES COMMITTEE

The Buildings, Facilities and Capital Expenditures Committee (BFCC) was created by a vote of Town Meeting on May 4, 2015. The BFCC was comprised of the members that remained from the Building and Facilities Committee formed by the Board of Selectmen in 2008, to evaluate town buildings and conduct feasibility studies for the Police, Public Works and Senior Center. On completion of the study the committee recommended the construction of the current police station.

The process of capital planning has been an informal one whereby articles and projects were presented to the Selectmen and Finance Committee, were reviewed by the BFCC, but recommendations were made by the Finance Committee. This was in part due to a lack of formal process, and because no formal allocation of funds was pre-planned from year to year.

In order to remedy this the Town Administrator, with the approval of the Board of Selectmen, sought and received a grant from the Commonwealth Community Compact to engage the U-Mass Boston Collins Center to develop a formal budget and capital investment plan in 2019.

Fiscal Year 2018 Expenditures and commitments appear below:

Cost	Project/Expenditure	Funding Source
478,603	Debt for Regional High School	Levy
100,000	Part payment for 1998 Bond for Town Hall & Fire Renovation	Ambulance

WHITMAN-HANSON REGIONAL SCHOOL DISTRICT STRATEGIC PLAN

<i>Mission</i>		
The Whitman-Hanson Regional School District is committed to providing each student with a high-quality education that promotes student success and responsible citizenship.		
<i>Vision</i>		
<p>The Whitman-Hanson Regional School District provides a safe learning environment and comprehensive student-centered learning opportunities that are relevant and challenging. In supportive partnership with all stakeholders, our district is committed to developing an academic foundation that emphasizes critical thinking, creativity, and communication skills. Each student, as a life-long learner, is prepared to face the challenges of the future with the skills needed to become a responsible citizen.</p>		
<i>Core Values</i>		
<p style="text-align: center;">We believe our schools:</p> <ul style="list-style-type: none"> • make all decisions in the best interest of students. • are committed to providing a safe, secure, and healthy environment. • set high academic standards that provide an opportunity for each student to reach his/her full potential. • model personal responsibility and an understanding and respect for others. • provide student-centered learning environments where successes and mistakes are valued as part of the learning process. • support staff initiative, innovation and professional development. • share the responsibility for education with students, parents, and community. • promote broad-based communication and school-family-community partnerships. • utilize technology as an essential part of teaching and learning. 		
<i>Theory of Action</i>		
If we... Foster a learning environment that provides social, emotional and academic growth for all students, Establish a cohesive PK-12 standards-based curriculum, Enhance instruction to improve student learning, and Establish a safe and secure learning environment, Then... Each student, as a lifelong learner, will be prepared to face the challenges of the future with the skills needed to become a responsible citizen.		
<i>Pillars of Success</i>		
<p>Every Child Every Day <i>Healthy Bodies, Healthy Minds</i></p>	<p>A Cohesive PreK-12 System of Teaching and Learning <i>Engaged and Successful Students; Independent Learners</i></p>	<p>Safe and Secure Schools</p>

FROM THE SUPERINTENDENT:

A priority and major initiative is to continue the work to implement the 2016-2019 Strategic Plan.

Now in its' last year in 2019, the District continues to Believe in the Pillars of Success, Understand the Strategic Objectives, Implement the Strategic Initiatives, and Produce the Strategic Outcomes.

Pillar 1

Foster a learning environment that provides social, emotional, and academic growth for all students:

- Transition planning for Middle levels
- One Social/emotional staff member for each elementary
- Calming classroom materials
- The use of therapy dogs

Pillar 2

Establish a cohesive PK-12 standards-based curriculum. Enhance instructions to improve student learning:

- Elementary Literacy Plan – standards-based instruction or program
- Math Program Pilot
- Resource materials for teachers

Pillar 3

Establish a safe and secure learning environment:

- Secured entrances at all elementary
- Update cameras at the Duval Elementary School and High School
- Investigate communications between schools and Emergency Management Systems
- Security Teams both internally and externally

During the last year and half and over the 2017-18 and 2018-19 school years, a number of dramatic transitions unfolded across the District.

- The closing of the Maquan Elementary
- The relocation of the Preschool Program to the High School
- The re-organization of grade levels in Hanson Schools
- The relocation of special education classrooms in

REPORT OF SUPERINTENDENT JEFFREY SZYMANIAK

I am pleased to present you with the 2018 Annual Report for the Whitman-Hanson Regional School District.

As of October 1, 2018, there were 3,873 students enrolled pre-kindergarten through grade twelve in the Whitman-Hanson Regional School District. This represents a 1.97% decrease in enrollment, 78 fewer students from October 1, 2017.

PK-12 Whitman-Hanson Regional School District

Student Enrollment October 1, 2018 Report

School	Total
Conley School, Whitman	528
Duval School, Whitman	443
Whitman Middle School, Whitman	580
Indian Head School, Hanson	515
Hanson Middle School, Hanson	479
Whitman-Hanson Regional High School	1,278
Outside Placement	50
Total**	3,873

**Figures include Community Evening School, School Choice, PK and Gr. SP

Student enrollment decreased at the Conley and Duval Elementary Schools in Whitman with noted increases at Indian Head Elementary and Hanson Middle School in Hanson due to the closing of the Maquan Elementary School and reconfiguration of grade levels. There were slight increases at the Whitman Middle School and High School. The high school's enrollment includes fifty-five School Choice students, thirty-one CES students and 104 Preschool students. Twenty-eight percent of the students in Whitman-Hanson participate in the Free and Reduced Lunch Program.

The District provides comprehensive educational services in order to meet the learning needs of students. We have moved the integrated pre-kindergarten program to the High School with the closing of Maquan that provides early childhood education for young children from both towns. Through the early intervention program, young children with Individual Education Plans (IEPs) attend school with typically developing peers. In addition, the school district provides a range of special education programs for 487 students, ages 6 to 21. As of October 1, 2018, 48 students receive special education services out-of-district. The number of English Language Learners in the District continues to increase with 46 English Language Learners. Eleven additional students classified as Former English Learners (FEL). Their progress is monitored for four years after they have achieved proficiency. In compliance with state laws and regulations, the District provides a Sheltered English Immersion program for English Language Learners. Portuguese is the first language for the majority of the English Language

Learners. Two teachers provide English as a Second Language Services in the school system. The District's Title I entitlement grant, a federal academic support program, provides supplemental academic support in literacy and numeracy to 170 regular education students at the Conley, Duval, and Whitman Middle Schools, the schools with the largest number of low income students.

Other educational services include, but are not limited to, advanced placement courses, online education, alternative education options, athletic opportunities, access to technology, student support services, and community service learning. These programs are rooted in a solid academic program that begins in pre-kindergarten classrooms. Transitional services are offered at the high school to assist students who have been hospitalized for physical or mental health reasons in their re-entry into the high school following extended absences.

The coordination of curriculum and instruction from pre-kindergarten through grade 12 is essential to ensuring that students graduate from Whitman-Hanson well-prepared for college and careers. Curriculum directors for English language arts, science, history/social studies, and mathematics are working at elementary, middle, and high school levels. The Director of Foreign Languages teaches at the high school and coordinates the middle and high school Spanish and French programs. The goal of this model is to involve content specialists at all levels of instruction and to ensure consistency and equity in the delivery of high quality instruction throughout the school system. This coordination model is in its third fourth of implementation.

The 2018- 2019 School Committee consists of, Alexandra Taylor (Whitman) Steven Bois (Whitman), Robert O'Brien, Jr. (Hanson), Robert Hayes (Hanson) Chair, Fred Small (Whitman), Robert Trotta (Whitman) Vice-Chair, Mike Jones (Hanson), Chris Howard (Hanson), Daniel Cullity (Whitman) and Christopher Scriven (Whitman).

Leadership changes in 2018, included the retirement of Superintendent Dr. Ruth Gilbert Whitner, the resignations of Kyle Riley, Assistant Superintendent of Student Services, Dr. Elizabeth Wilcox, principal of Maquan/Indian Head School, and Julie McKillop, principal of Duval Elementary.

Mr. Jeff Szymaniak was voted to become the new superintendent, effective July 1, 2018, by the School Committee on February 15, 2018. Mr. George Ferro was voted to become the new Assistant Superintendent, effective July 1, 2018, by the School Committee on April 11, 2018. Mrs. Lauren Mathisen was appointed as the Interim Director of Student Service in October 2018. Dr. Chris Jones replaced Jeff Szymaniak as the principal of the High School. Mike Grable replaced Mr. Ferro as principal of the Whitman Middle School, and Kerry Sandler replaced Mr. Grable as the assistant principal. Jill Cotreau became the new Indian Head School principal and Dr. Darlene Foley became the new Duval School principal.

The operating budget for the fiscal year 2019 (school year 2018-2019) was approved by the School Committee at \$50,523,181. The current budget represents the level service budget that was approved at Town Meetings in May 2018.

During the past year, the school district continued to be awarded grants that enhance opportunities for students. In addition to the federal annual entitlement and allocation grants for Title I, Title IIA (Teacher Quality), Title IV (Student Support and Academic Enrichment), and special education, the District is now in the eighth year of implementing a multi-year, competitive Massachusetts 21st Century Community Learning Centers grant that provides funds to support academic success and college readiness for at-risk high school students.

The District benefits from its multiple partnerships with educational collaboratives that provide specialized programs for students, expanded professional development opportunities, and participation in grant-funded programs. Whitman-Hanson Regional School District participates in the exSEL (Excellence through Social Emotional Learning) Network. The Whitman-Hanson Regional School District collaborates with eight other school districts to tackle issues like substance abuse, trauma, anxiety, depression, and bullying by addressing students' social and emotional needs. As part of the Excellence through Social-Emotional Learning (exSEL) Network, the Whitman-Hanson Regional School District designs new initiatives to help students develop skills like persistence, empathy, and healthy decision-making. The District is a member of North River Collaborative (NRC), Pilgrim Area Collaborative (PAC), and South-eastern Regional Collaborative Organization (SCRO). As a member of SCRO, the school system participates in the Smart PD program and is involved in exploring options for on-line learning. In conjunction with North River Collaborative and member school districts, the District is a participant in a Title III, a federal grant program that supports educational opportunities for English Language Learners. In addition to the District's participation in the exSEL network, a Wellness Steering Committee meets regularly to address the issues of social and emotional health and well-being. The district is an active participant in Whitman-Hanson WILL, a program funding by a grant from the Plymouth County District Attorney's office to address substance abuse in southeastern Massachusetts. Because today's students are subject to influences and information that are far more pervasive and invasive than they were in the past, the District recognizes that career and college readiness requires that Whitman-Hanson students have both healthy minds and healthy bodies.

Maintaining high quality educational programs for all students is the focus of the administration and the School Committee. The Leadership Team and the Administrative Team meet regularly in 2018 to develop core values and priorities which assist our team in making informed decisions.

Statewide testing continues to be an important part of our assessment program in the Whitman-Hanson Regional School District. The content of the statewide assessments has been in flux for the last four years. Last spring, Whitman-Hanson students participated in annual statewide testing, administered by the Massachusetts Department of Elementary and Secondary Education (DESE). The testing consisted of a combination of the next generation MCAS and the legacy MCAS. Students in grades 3-8 participated in online next generation MCAS assessments in English language arts (ELA) and mathematics and paper/pencil MCAS tests in science at grades 5 and 8. At the high school, students took paper/pencil MCAS assessments in ELA, mathematics, and science as the high stakes tests for graduation.

For the spring 2018 statewide testing, the overall level for the district is recorded at NO LEVEL because students participated in the next generation MCAS in grades 3-8. The high school's accountability is Level 2, on a scale of 1-5 with 1 being the highest level.

Our goal continues to be to reach academic proficiency for all students and to make certain that they graduate from Whitman-Hanson as capable and competent citizens. Teachers at all levels are diligent in their efforts to prepare students for state assessments. At specific levels, subject areas, and in each school, teachers and administrators review student data, identify target areas, and proficiency gaps where improvement is needed. Each school and the District develop annual improvement plans to reflect strengths and to address weaknesses that are made apparent through testing.

At the high school, a greater emphasis is being placed on the preparation of secondary students for the SAT and for Advanced Placement exams. All students take the PSAT in tenth grade. On January 11, 2013, the high school was awarded continued accreditation by

the New England Association School and Colleges (NEASC) accreditation. Accreditation by NEASC is approved for a ten year time period.

On Friday, June 1, 2018, two hundred and eighty-three (283) students graduated from Whitman-Hanson Regional High School. The awards and scholarships, received by the Class of 2018, are listed in this annual report. Over \$200,000 in scholarships were awarded to the members of the Class of 2018 in Community and Dollars for Scholars (DFS) scholarships. At graduation, senior awards night, music awards night, and the Kiwanis Banquet, many students were recognized for their academic performance, athletic achievements, and involvement in school organizations and extracurricular activities. On Thursday, May 31, 2018, fifteen students received their diplomas as graduates of the Whitman-Hanson Community Evening School (CES), a program that provides students with the opportunity for the completion of an approved high school program through an alternative educational setting.

The use of instructional technology in Whitman-Hanson classrooms continues to expand. Today's students, as digital learners, respond well to the instructional use of interactive electronic white boards, Chrome Books, net books, iPads, electronic texts and databases, assistive technology, and an array of software programs that differentiate to accommodate students' learning needs. We continue to work toward preparing Whitman-Hanson students to be globally-ready with the skills they will need to effectively participate in an increasingly interconnected world. The integration of technology into the curriculum, foreign language study, and the fostering of international partnerships are important components of this preparation. As the state transitions to the "Next Generation MCAS" statewide assessments will eventually become entirely computer-based. By 2019, testing in grades 3-8 ELA and math, and grade 5 and 8 Science, Technology, and Engineering will be electronic.

With the exception of the regional high school, the Towns of Whitman and Hanson own their school buildings. The maintenance of the schools is a shared responsibility with the towns responsible for capital costs and improvements that exceed \$5,000. The Facilities Department, under the management of Director Ernest Sandland, works with the towns for preventative maintenance and to address capital issues when they arise. On Thursday, June 21, 2018, the Maquan Elementary School closed its doors to students. The Lease with the Town of Hanson was extended through October 31, 2018. With the permission of the Town of Hanson, the District uses the building for storage and the Town of Hanson anticipates taking full control of the building and grounds on June 30, 2019.

Whitman-Hanson is committed to ensuring proactive, preventative measures in incident planning. The District provides staff with training and information regarding ALICE (Alert, Lock-down, Inform, Counter, & Evacuate), a program designed to provide options for response during an active intruder/shooter situation. ALICE is included as a response in the Incident Management Handbook. A Safety and Security Team, consisting of district staff and local EMS work together throughout the year to coordinate and address safety and security. Entry ways at Duval, Conley, and Indian Head Schools were re-designed to become more secure. The safety of Whitman-Hanson students and staff is a top priority. The District reviews plans and protocols on an ongoing basis. The District is grateful for its partnerships with the Whitman and Hanson Police and Fires, and the services of School Resource Officers from both Whitman (Officer Kevin Harrington) and Hanson (Officer Bill Frazier) Police Departments.

The District continues to work closely with our public safety officials, Department of Public Works, community leaders, staff, parents, and students to provide the safest and most secure environment for the school community.

In 2015, the Whitman-Hanson Regional School District was selected by the Massachusetts Department of Elementary and Secondary Education (DESE) to participate in the piloting of *Planning for Success*, a model that supports the improvement planning process and consists of three phases: *Create a Plan*, *Align Systems*, and *Implement*. As a piloting school district, DESE provided WHRSD at no cost with a trained facilitator, Lori Likis, Principal Consultant, Creative Coaching; multiple resources; and protocols for data analysis and information gathering. The Leadership Team and the full Administrative Team developed a Strategic Plan (2016-2019) and annual Action Plans. The Three Pillars of the plan are I) Every Child, Every Day with Healthy Minds and Healthy Bodies, II) A cohesive PreK-12 System of Teaching and Learning, and III) Safe and Secure Schools. On October 12, 2016, the Regional School Committee approved the Strategic Plan for 2016-2019. The District was also been selected to participate in the Resource Allocation and District Action Reports (RADAR), DESE's project to pilot a new set of reports to support strategic planning and budget decision making and to help the Department develop tools and resources that can be useful to districts statewide. The RADAR project and Planning for Success are designed to support each other.

The dedicated efforts and support of staff, parents, PTOs, PACs, booster groups, School Councils, the Panther Education Trust Foundation, and community members are greatly appreciated by the District and by the Regional School Committee. The Whitman-Hanson Regional School District benefits from the commitment of the Towns of Whitman and Hanson to the education and well-being of children.

We are very proud of the numerous awards and accomplishments of the students of Whitman and Hanson. As always, the successes of our students have been supported by our teachers and support staff. Listed below is a list of the achievements of our students during the 2017-18 school year.

We congratulate our students, their parents/guardians, families, and their teachers.

2018 - GRADUATION AWARD RECIPIENTS

Class of 1950 - English Prize – Mikayla Bates

Ellen Conway Spellman Prizes –

First Place: Dorothy DiMascio-Donohue

Second Place: Kristina Woodward

Third Place: Madison Jolliemore

Class of 1951 – Alton E. Taylor, Jr. Memorial Award – David Murphy

Class of 1986 Cindy Crowell Award –

1. Phoebe Bonney
2. Jack Ryan

Narissa L. Crosscup Memorial Award – Sean Farrell

Samuel O. Gurney Foundation Sportsmanship Awards – -

1. Camryn Boyce
2. Cameron Rogers

Dennis M. O'Brien Scholarships –

1. Regan Hayes
2. Eric Muha

Whitman-Hanson Education Association Scholarship –

1. Kaitlyn Morrison
2. Cameron Rogers
3. Eric Muha

Whitman High School/Whitman-Hanson Regional High School Alumni Scholarship

1. Regan Hayes
2. Benjamin Amado

Eugenia F. Lovell Award –

Mikayla Bates

Class of 2018 - Local & Community Scholarships

Madison Adams – *University of New Haven*

Hanson American Legion Ladies' Auxiliary Scholarship - \$300

Barnstable County Sheriff's Union – Daniel P. Kelley Memorial Scholarship - \$500

Thomas Allen – *University of Maine*

Velma Bradford RN Scholarship - \$500

Benjamin Amado – *Worcester Polytechnic Institute*

Whitman-Hanson Education Association Teacher Appreciation Scholarship - \$100

The Westside Improvement Scholarship - \$200

Whitman High/Whitman-Hanson Alumni Scholarship - \$500

PCT Federal Credit Union Scholarship - \$500

Charlotte Anderson – *Mt Holyoke College*

Whitman-Hanson Drama Club Scholarship - \$500

Jennifer Ayers – *University of New Haven*

Boss Academy of Performing Arts Scholarship - \$250

Holy Ghost Parish Scholarship - \$100

Blessed Virgin Mary Scholarship – *Offered by Holy Ghost Parish* - \$400

Pero Family Scholarship – *Offered by Holy Ghost Parish* - \$2000

Mary Bain – *Massasoit Community College*

Colby McCarthy Memorial Scholarship - \$500

Jennifer Germaine-Goyette Memorial Scholarship - \$500

Jason Bannon – *Salve Regina University*

Erin Croghan Memorial Scholarship - \$250

Mikayla Bates – *Simmons College*

Knights of Columbus Whitman Council #347 Scholarship - \$300

First Unitarian Society of Whitman Scholarship - \$300

Rockland-Hanson Rotary Club Scholarship - \$750 – *In Honor of Robert Schmitt*

Marc Benamino – *The Citadel*

WH Class of 1979 – Mark Bouldry Memorial Scholarship - \$250

Andrew Boisjolie – *Massasoit Community College*

Christopher Rowan (Class of 1997) Memorial Scholarship - \$750

Thomas Bombardier – *Westfield State University*

Officer Gerry Mont – Whitman D.A.R.E. Scholarship – \$250

Lauren Bonavita – *University of Massachusetts, Amherst*

Hanson Youth Soccer Scholarship - \$300

Maicey Bowman – *Massachusetts College of Pharmacy*

Narissa L. Crosscup Memorial Scholarship - \$200

Optimum Real Estate Inc. Scholarship - \$250

South Shore Veterans Assistance, Inc. Scholarship – *In Memory of Colby McCarthy* - \$500

Camryn Boyce – *Massachusetts Maritime Academy*

John J. Farrell Memorial Award - \$100

Whitman Police Association Scholarship - \$250

Whitman Fire Department Scholarship - \$500

Kaylee Brilliant – *Quincy College*

Narissa L. Crosscup Memorial Scholarship - \$200

Grayce Brown – *Penn State*

Boss Academy of Performing Arts Scholarship - \$250

Erin Croghan Memorial Scholarship - \$250

Paige Brown – *Sacred Heart University*

Holy Ghost Parish Scholarship - \$200

Whitman Mothers' Club Scholarship - \$550

Pero Family Scholarship – *Offered by Holy Ghost Parish* - \$1800

Gabryelle Callahan – *Fitchburg State University*

Whitman Youth Soccer Scholarship - \$500

Duval PTO Scholarship - \$1000 – *In Honor of Holly Schjolden*

Cameron Carpenter – *Merrimack College*

Ruthie Carpenter Memorial Scholarship - \$2500

Ryan Carriero – *University of Massachusetts, Lowell*

Whitman Jr. Pro Basketball Scholarship - \$200

Shannon Carroll – *Massasoit Community College*

Narissa L. Crosscup Memorial Scholarship - \$200

Hanson Firefighters Scholarship - \$500

Kristina Cleary – *University of New Hampshire*

Holy Ghost Parish Scholarship - \$200

Whitman Mothers' Club Scholarship - \$550

Pero Family Scholarship – *Offered by Holy Ghost Parish* - \$1800

Stephen Collins – *Bryant University*

Erin Croghan Memorial Scholarship - \$200

Paul Conroy – *Stonehill College*

Colby McCarthy Memorial Scholarship - \$500

Vincent Consolini – *Springfield College*

Whitman-Hanson Education Association Teacher Appreciation Scholarship - \$100

Erin Croghan Memorial Scholarship - \$200

Colby McCarthy Memorial Scholarship - \$500

Benjamin Cordingley – *Johnson & Wales University*

Courtyard Café Culinary Arts Scholarship - \$400

Julia Cosgrave – *Bridgewater State University*

Whitman Youth Soccer Scholarship - \$250

Chris MacIver Memorial Scholarship - \$250

Noel Dymond Cross Memorial Scholarship – *WH Class of '74* - \$250

Pierce Scholarship - \$300

Aidan Cotter – *Bentley University*

Whitman Jr. Pro Basketball Scholarship - \$200

Jillian Croghan – *Toni & Guy Hairdressing Academy*

Erin Croghan Memorial Scholarship = \$1200

Trilby Dawe – *Eastern Connecticut State University*

Erin Croghan Memorial Scholarship - \$200

Abigail Dever – *Saint Anselm College*

Whitman-Hanson Band/Majorettes Scholarship- \$350

Knights of Columbus Whitman Council #347 Scholarship - \$500

Paige Dodd – *University of New Hampshire*

Anne Gertrude Scholz Memorial Scholarship - \$100

Joseph Drier – *Xavier University*

Whitman Jr. Pro Basketball Scholarship - \$200

Narissa L. Crosscup Memorial Scholarship - \$300

Whitman Democratic Town Committee Scholarship - \$500

Whitman American Legion Post #22 Scholarship - \$500

Duval PTO Scholarship – *In Honor of Lauren Kelley* - \$500

Chad Eades – *Nichols College*

E.Y. Perry Trust - \$2000, renewable yearly

Scott Ennis – *Framingham State University*

Narissa L. Crosscup Memorial Scholarship - \$200

Hannah Faghan - *Curry College*

IAIW Local 7 – AFL-CIO Local 7 Memorial Scholarship - \$2000

Sam Ferro – *Wentworth Institute of Technology*

Whitman Jr. Pro Basketball Scholarship - \$200

Whitman Mothers' Club Scholarship - \$550

Abigail Flynn – *University of VT*

Noel Dymond Cross Memorial Scholarship – WH Class of '74 - \$250

James MacDonald Athletic Scholarship - \$1500

Alexis Folco – *Bridgewater State University*

James "Jimmy Caz" Castagnozzi Memorial Scholarship - \$500

Cole Fountain – *Bridgewater State University*

Whitman-Hanson Band/Majorettes Scholarship- \$400

Ahern Family Music Scholarship - \$500

Valerie A. Clapp Memorial Scholarship - \$3000

Timothy Fox – *Massasoit Community College*

Paul McVay Memorial Scholarship - \$200

Aubrie Galinis – *Wheaton College*

Narissa L. Crosscup Memorial Scholarship - \$200

Valerie A. Clapp Memorial Scholarship - \$3000

Jaclyn Galvin – *Emerson College*

Onstage School of Performing Arts – 150

Whitman Police Association Scholarship - \$250

Pero Family Scholarship – *Offered by Holy Ghost Parish* - \$500

Harrington Scholarship – *Offered by Holy Ghost Parish* - \$1000

Chelsea Getchell – *Framingham State University*

PCEA/WHEA Scholarship - \$100

Onstage School of Performing Arts - \$175

Pierce Scholarship - \$300

Knights of Columbus Whitman Council #347 Scholarship - \$500

Narissa L. Crosscup Memorial Scholarship - \$500

Robert B. Cushman Memorial Scholarship - *offered by Whitman American Legion Post #22-*
\$500

Sons of the American Legion - Whitman Post #22 Scholarship - \$500

Kaileigh Gordon – *Salve Regina University*

Holy Ghost Parish Scholarship - \$200

Pero Family Scholarship – *Offered by Holy Ghost Parish* - \$300

Velma Bradford RN Scholarship - \$500

Dr. Henry J. Pilote, Jr. and Angelina E. Pilote Scholarship - \$750

J.J. Frisoli Memorial Scholarship - \$1500

DOLLARS FOR SCHOLARS 2018

Whitman & Hanson Dollars held their 56th Annual Scholarship Awards Night at WHRHS on Wednesday, May 30, 2018. The program was hosted by President Michael Ganshirt and Treasurer Jean Dean. One hundred and thirty-six students received awards totaling \$128,050. To date, DFS has now given out more than \$2,552,789 in scholarships. DFS extends thanks to the residents, businesses, and organizations of Whitman and Hanson who supported their fundraising and the former recipients who contributed to the DFS Alumni Scholarship. This year's recipients are as follows:

2018 Scholarships

Madison Adams – Insta-Brite Mobile Washing, Inc. \$100; Officer Gerry Mont, WPD Memorial \$200; Hawley Family Scholarship \$1000
Thomas Allen – Virginia A. Billings, R.N. Memorial \$250; DFS \$550
Benjamin Amado – Donald L. Ford Insurance Agency – Donald and Margaret Ford Memorial \$300; William R. Duhamel Memorial \$500
Amanda Anderson – Tuesday Night Volleyball \$150; DFS \$550
Charlotte Anderson – Colby McCarthy Memorial \$500; Whitman High School Class of '47 \$500
Jennifer Ayers – Officer Gerry Mont, WPD Memorial \$150; Dance Dimension \$200; Whitman High School Class of '47 \$650
Mary Bain – Carousel Family Fun Center \$100; DFS \$400
Jason Bannon – Lee Skinner Memorial (H.V.N.A.) \$1100
Mikayla Bates – Lynch-Fontaine Scholarship \$350; Whitman High School Class of '47 \$850
Dylan Beery – AL Prime Energy \$100; DFS \$400
Marc Benjamin – Ernest A. Moore Scholarship \$1000
Thomas Bombardier – Colclough Construction \$150; DFS \$350
Phoebe Bonney – Whitman High School Class of 1949 \$1000
Maicey Bowman – American Eagle Outfitters – No. Dartmouth Employees \$500; DFS \$350
Camryn Boyce – O'Brien Family Scholarship \$100; American Eagle Outfitters – No. Dartmouth Store Employees \$500; DFS \$250
Grayce Brown – Whitman High School Class of '47 \$650; T. Francis & E. Marie Lynch Memorial \$1550
Paige Brown – Frank's Fruit & Produce Co. \$100; DFS \$450
Sarah Brown – Dr. Donald F. McEnroe Memorial \$2000; Whitman High School Class of '47 \$800
Jason Burns – Cast Iron Café \$650
Ryan Burt – The TAMA DOJO's Character Through Martial Arts \$200; Chief John R. Travers Memorial \$350
Scott Byron – WHRHS Class of 1962 \$100; Allstate Foundation Scholarship \$500
Gabryelle Callahan – Charles Coholan Memorial \$125; South Shore Women's Health \$250; DFS \$225
Victoria Capobianchi – Virginia P. Flanagan Memorial \$100; Whitman-Hanson Express Scholarship \$200; DFS \$300
Ryan Carreiro – Lori Sawtelle Memorial \$1400
Kristina Cleary – Peter & Sandra Palaza Scholarship \$150; DFS \$550
Aidan Coleman – Joseph Quirk Memorial \$600
Joseph Coletti – Robert T. Carew Memorial Scholarship \$650
Stephen Collins – Whitman High School Class of '47 \$400; In Memory of Margaret Costantino \$500
Madison Connors – Carole C. Manning Memorial \$300; DFS \$550
Paul Conroy – John J. Ferry, Sr. Memorial \$700; DFS \$150

Vincent Consolini – Desac Disposal \$250; DFS \$500

Benjamin Cordingley – Austin Insurance Agency, Inc. \$100; DFS \$400

Julia Cosgrave – Virginia A. Billings, R.N. Memorial \$250; Whitman High School Class of '47 \$750

Aidan Cotter – Dunkin Donuts – Whitman \$200; DFS \$600

Jocelyn Daly – Baker Galambos Family \$500; Whitman High School Class of '47 \$800

Trilby Dawe – Tracy E. Lodging \$100; Colby Family Memorial \$150; DFS \$350

Tanner Demaggio – The Reverend Larry G. Maynard Memorial \$100; Bridgewater Savings \$1500; Whitman High School Class of '47 \$200

Abigail Dever – In Memory of Margaret Costantino \$500; Whitman High School Class of '47 \$600

Paige Dodd – Whitman High School Class of '47 \$150; Microsoft \$750

Julia Donovan – Whitman Baseball & Softball Association \$250; DFS \$250

Joseph Drier – Whitman High School Class of '47 \$150; Whitman Baseball & Softball Association \$250; Pattangall Associates \$1000

Nicholas Duffy – Conway Insurance Agency Scholarship \$250; DFS \$500

Scott Ennis – Cacciatore Family \$100; DFS \$400

Benjamin Ethier – Hatherly Realty \$300; Sylvia Redpath Memorial \$500

Bennett Evans – Paul McVay Memorial Scholarship \$200; DFS \$450

Peter Fasoli – Ganshirt Family Scholarship \$500; DFS \$150

Samuel Ferro – The Burton Family Scholarship \$100; Whitman High School Class of '47 \$200; John J. Ferry Memorial \$700

Kelly Fleming – Whitman Amateur Radio Club, Inc. \$500

Abigail Flynn – Gregg DeVeuve Memorial \$250; DFS \$500

Alexis Folco – Riley Taylor Scholarship \$150; DFS \$350

Cole Fountain – Lennie Baker Memorial Scholarship for Music \$500; DFS \$350

Aubrie Galinis – American Eagle Outfitters – Derby Street Shoppes Employees \$500; DFS \$350

Jaclyn Galvin – Beverly Hassan Memorial \$1000; In Memory of John, Jr. & Francis L. Costantino \$1000

Chelsea Getchell – Nancy McLaughlin Volunteer Award \$1000; Whitman High School Class of '47 \$200; Kiwanis Club of Hanson \$1000; Ernest A. Moore Scholarship \$1800

Mariah Glynn – John (Jack) Brown Memorial \$250; DFS \$500

Jordana Gomes – Sullivan Funeral Homes \$200; DFS \$450

Kaileigh Gordon – Lewis A. Casoli Memorial \$100; Friends of the Hanson Visiting Nurse Association \$1100

Lexi Grazioso – Collin Young Memorial \$500; DFS \$400

Jason Green – Blanchard Funeral Chapel \$100; CSF Founders Club \$200; Whitman Baseball & Softball Association \$250

Jessica Green – Paul McVay Memorial Scholarship \$200; Whitman High School Class of 1951 \$2500

Robert Gullicksen – McLaughlin Chevrolet, Inc. \$100; John Russell Studio Scholarship \$250; DFS \$350

Jacob Hanson-Bartlett – Greg O'Roak Racing \$100; Joseph and Frances Sansone Memorial \$250; DFS \$250

Jason Harding – Whitman High School Class of '47 \$150; Rep. Josh Cutler Scholarship \$250 In Memory of William R. & H. Virginia Jennings \$500

Regan Hayes – O'Leary Math Award \$150; Whitman High School Class of '47 \$350; Carolyn Parker Memorial \$1000

Riley Holland – Dimark Athletic Scholarship \$500; DFS \$350

Brett Holmes – McLaughlin Family \$500; DFS \$300

Colleen Hughes – Buckley Associates, Inc. Scholarship \$500; DFS \$400

Cathryn Johnson – Thursday Night Volleyball \$125; Whitman High School Class of '47 \$275; Irene West Memorial \$600

Madison Jolliemore – Howe-Leclair Memorial \$100; DFS \$650

Halle Julian – Dorothy Benner Scholarship for Education/Whitman GOP \$125; Lawrence Coombs Memorial \$200; DFS \$225

Nicholas Kardoose – Greg O’Roak Racing \$100; Joseph C. Saccone & Sons, Inc. \$250; DFS \$250

Nell Kealy – DFS Alumni Award \$1400; Whitman High School Class of ’47 \$100

Matthew Kelcourse – Conley Elementary School PAC – Carol Culbert Memorial \$250; DFS \$500

Emma Kennelly – Joseph Quirk Memorial \$600

Emily Knight – Officer Gerry Mont, WPD Memorial \$150; Whitman High School Class of ’47 \$350; Pediatric Associates of Brockton, Inc. \$500

Katelyn Korzec – Kathleen Marie Peabody Memorial \$500; DFS \$350

Bryce Lacombe – Paul McVay Memorial Scholarship \$200; Robert S. Teahan Memorial \$500

Maxwell Lauzon – Perkins Family \$300; McLaughlin Family \$500

Matthew Lazarski – Sean Bowman Memorial \$500; DFS \$300

Aidan Levangie – Whitman Baseball & Softball Association \$250; DFS \$550

Amanda Lishman – Whitman Kiwanis Memorial \$1000

Jacob Long – Anderson Surveys in Memory of Ann Hayes, Class of 1972 \$250; DFS \$600

Thomas Long – Whitman High School Class of ’47 \$300; Pattangall Associates \$1000

Cameron MacDonald – Affordable Closet Systems \$100; DFS \$400

Georgia MacDonald – Whitman High School Class of ’47 \$400; Lori Sawtelle Memorial \$1400

Riley MacDonald – Hanson Middle School Builder’s Club \$300; DFS \$400

Kelsey MacKinnon – Microsoft \$700; DFS \$150

Molly MacKinnon – Carleton P. & Lillian F. Burrill Trust Fund \$500; Dimark Academic Scholarship \$500; Whitman High School Class of ’47 \$500

Coryn MacPherson – WHRHS Class of 1972 \$400; John Russell Studio Scholarship \$250

Mason Mansfield – Whitman VFW Auxiliary 697 \$125; DFS \$525

Madison McBroom – Whitman Girls Basketball Association \$250; Whitman High School Class of ’47 \$850

Jenna Meagher – JSM Custom Engineered Products, Inc. \$100; Lee Skinner Memorial (H.V.N.A.) \$1100

Ashley Memmolo – Lynch & Lynch \$100; The Dru & Donald Vose Memorial \$1000

Patrick Milewski – MacKinnon Funeral Home \$200; DFS \$600

Camille Miller – Franciscan Sister of the Atonement Mary Helena Sproul Memorial \$1000

Kasey Molito – Eastern Machine & Design Corporation \$100; Paul McVay Memorial Scholarship \$200; On Stage School of Performing Arts \$250; DFS \$250

Marissa Monteiro – Susan D. Plante Memorial \$200; DFS \$450

Kaitlyn Morrison – Stephen E. Wirzburger Memorial \$500; Whitman High School Class of ’47 \$800

Eric Muha – Friends of the Hanson Visiting Association \$1100; Whitman High School Class of ’47 \$200

David Murphy – Pattangall Associates \$1000

David Nagle – Currie Family of Hanson Scholarship \$250; DFS \$500

Kyle Nehiley – McDevitt Family Scholarship \$100; Duval Family Memorial \$500; DFS \$100

Alyssa Nicholson – Conley Elementary School – Carol Culbert Memorial \$250; Whitman Girls Basketball Association \$250; DFS \$150

Hailey Norris – Fred J. Carey \$175; DFS \$475

Nicole Norve – HUB International New England, LLC \$250; DFS \$450

Ryan O’Connor – Whitman VFW Post #697 \$500

Antonia Pagnozzi – Acheson Wait Family \$100; DFS \$400

Noelle Pelrine – Whitman High School Class of ’47 \$400; In Memory of William R. & H. Virginia Jennings \$500

Julia Pendrak – Hanson PTO \$250; DFS \$450
Haley Perkins – Whitman High School Class of 1951 \$2500
Lillian Perkins-Reisdorf – Duncan Kitchen & Bath \$100; DFS \$400
Maria Pestilli – Stephanie Juska Way Memorial \$500; DFS \$200
Sydney Phillips – Greg O’Roak Racing \$100; Women’s Garden Club of Whitman \$200; DFS \$250
Zoe Phillips – Ernest A. Moore Scholarship \$1000; In Memory of Pamela J. Costantino \$1000

Olivia Zimmerman – CMC Paving Contractors \$100; DFS \$400

Silver Revere Bowls provided by Menard Jewelers were awarded to the top four students:
Regan Hayes, Kaitlyn Morrison, Eric Muha, and Cameron Rogers.

WHITMAN-HANSON REGIONAL HIGH SCHOOL JOHN & ABIGAIL ADAMS

The Whitman-Hanson Regional High School Counseling Office is pleased to announce that 83 members of the Class of 2019 have been honored as recipients of the John and Abigail Adams Scholarship. Adams scholars qualify for four year scholarship award at Massachusetts public colleges and universities.

Recipients from Whitman-Hanson include:

Alyse Anderson, Jessica Anthony, Jared Badger, Leah Badger, Anthony Barone, Helena Beeloo, Charlotte Berman, Benjamin Brain, Alexa Brown, Marah Burt, Noelle Cataldo, Evan Clark, Tyler Connella, Michael Cook, Rebekah Crannell, Kayla Crawford, Shane Curran, Daniel Davis, Kathleen Davis, Dorothy DiMascio-Donohue, Robert Dodge, Anna Franklin, Damar Fry, Jonathan Gillis, Lauren Godbout, Mason Gorman, Samantha Gregory, Khalil Haboub, Allison Hanlon, Emily Hartford, Kira Hendriksen, Matthew Hickey, Courtney Holland, Brendan Ibbitson, Jessica Jacobsen, Grace Leary, David Leonard, Erynn Libro, Brooke Loring, Connor MacRae, Matthew Madden, Kyle Makkas, Nathan Manley, William Martell, Rachel McAleer, Erin McCoy, Joshua McDonald, Kayla McTernan, Kaitlyn Molito, Devon Murphy, Ashley O'Brien, Brandon O'Brien, Marissa Pellerin, Dennis Pinney, Jade Pesente, Gabriela Petrus, Ethan Phelps, Joshua Previti, Joelle Puopolo, Amanda Regan, Jason Reilly, Abigail Rinker, Gavin Rose, Matthew Rubin, Natalie Rubin, Shane Schraut, Nicole Scott, Edwin Scriven, Emilee Shakespeare, Olivia Sheehan, Samantha Smith, Emily Stearns, Tyler Swan, Brendan Sullivan, Morgan Thomas, Gabrielle Trongone, Madison Trongone, Ryan Trongone, Riley White, Samantha Whitman, Cameron Williams and John Youngman.

In order to be eligible for the John and Abigail Adams Scholarship, Massachusetts public high school students in the Class of 2018 must have scores of *Advanced* and *Proficient* on grade 10 MCAS tests in English Language Arts (ELA) and Mathematics (at least one score must be *Advanced*) AND have combined scores on MCAS ELA and Mathematics tests that place them in the top 25 percent of students in the graduating class in their district.

ATHLETICS 2017-18

586 students participated in 27 student athlete sports.

The Varsity Teams posted a 175-197 record winning four League Championships - Fall Cheerleading, Winter Cheerleading, Boys' Basketball and Baseball.

The cheerleading team won both the fall and winter state championships. Colleen Hughes and Brett Holmes were the Patriot League scholar athletes.

MVP's: Most Valuable Players

Andrew Newman	Boys Cross Country	Steve George
Nicole Norve	Girls Cross Country	Steve George
Owen Manning	Golf	Brian Dempsey
Anthony Pasciuto	Boys Soccer	David Leahy
Lauren Bonavita	Girls Soccer	David Floeck
Ethan Phelps	Football	Michael Driscoll
Anna Franklin	Cheerleading/Football	Alyssa Hayes
Ashley Memmolo	Field Hockey	Todd Humphrey
Amanda Anderson	Volleyball	Ashley Balbian
Sean Leahy	Boys Basketball	Bob Rodgers
Shelby Newcomb	Cheerleading/Basketball	Alyssa Hayes
Kathryn Dunn	Girls Basketball	Jenna Olem
Brett Holmes	Boys Winter Track	Michael Driscoll
Nicole Norve	Girls Winter Track	Steve George
Steven Osborne	Wrestling	Gary Rabinovitz
Britney Blackstone	Gymnastics	Rachel Sferruzza
Alexander Uva	Boys Hockey	Chris Googins
Colleen Hughes	Girls Hockey	Kevin Marani
Madison Navicky	Girls Swimming	Sean Siciliano
Ryan Sawtelle	Baseball	Patrick Cronin
Haley Norris	Softball	Jenna Olem
William Martell	Boys Spring Track	Steve Schlichting
Dorothy DiMascio-Donohue	Girls Spring Track	Steve George
Tyler Rice	Boys Tennis	Alyssa Hayes
Jessica Green	Girls Tennis	Susan Sookiasian
Scott Byron	Boys Lacrosse	Robert White
Kasey Molito	Girls Lacrosse	David Rowell

SPECIAL AWARDS:

Samantha Smith- Junior Athletic Plaque
 Rui Carriero- Community Award/Whitman
 Ethan Phelps- Junior Athletic Cup
 Michelle Hughes- Community Award/Hanson
 Ryan Sawtelle- Edward Clark Award
 Ashley Memmolo- Sue Moss Award

Art in Action 2017-18

The Memory Project

Members of the Art In Action Club took part in an international effort to create keepsakes for children living in desperate situations. Twenty-seven WHRHS art students created portraits that were delivered to Syrian children living in a refugee camp on the border. In addition to performing a generous act of kindness by showing them that people do care about their plight, they were part of a multi-school effort that raised \$3,500 to support the aid organizations that are helping these children.

South Shore Art Center Festival Art Stars

Marie Foscaldo and Nicole Johnson were selected to work with a select group of talented art students from all over the South Shore. Together they worked with practicing artists/mentors to develop a large scale community project. They worked collaboratively on Saturdays over a two month period to develop a large tableau of Sunday at the Grande Jatte by George Seurat which was kufe-size and 3-D. It was featured in the SSAC Art Festival where viewers were encouraged to become part of the artwork.

Art All State

Alyse Anderson and Noelle Cataldo were selected to be Regional Nominees representing Whitman Hanson Regional High School. They took part in an extensive process requiring an essay, recommendations, a portfolio review by a board made up of art faculty and professionals. Alyse Anderson was also selected as Art All-State Finalist and spent a weekend at the UMass Dartmouth working with professional artists and art school faculty on a series of art installations. Several hundred art students from high schools throughout Massachusetts were nominated.

Bowls for Hunger

Students in the WHRHS art classes raised \$520 for the local food pantries by selling hand made one of a kind soup bowls and our first Art in Bloom Art & Flowers Raffle.

Portfolio Review Day

A guest lecturer from the Savannah College of Art and Design, gave a lecture to WH art students about the requirements and expectations of applying to art school and how to develop a strong portfolio. In addition, he held practice portfolio reviews with potential students in order to help them prepare for the art school admissions process.

State House Art Exhibition sponsored by State Rep. Josh Cutler

Twenty-one Whitman Hanson Regional High School students had their work exhibited at the state house in Boston. The exhibition of high school art was mounted by State Representative Josh Cutler for students in his district. These students had the opportunity to attend an opening reception for the exhibition and the art students took a field trip to Boston which included lunch in Representative Cutler's office, a tour of the State House and the art exhibition. Congratulations to the following students:

Drawings/Pastels

1st Place: Patrick Bui

Painting

3rd Place: Charlotte Anderson

Photography

3rd Place: Charlotte Anderson

Also on exhibit: Maya Roselli, , Noelle Cataldo, Marissa Merlino, Abby DeLory, Maddi Jolimore, Reese Nawazelski, Victoria Capobianchi, Kendall Colclough, Amber McCormack,

Maresa DeLuca, Nicole Johnson, Christina Rogers, Alyse Anderson, Jordan Pelissier, Ella Perry

Special thanks to Josh Cutler and his staff for featuring our young artists and including Whitman students.

Youth Art Month

Artwork by the following six WHRHS students was displayed at the Transportation Building in Boston as part of the Mass. Art Educators Association’s Youth Art Month Celebration: Kendall Colclough, Maddie Connors, Maddie Jolliemore, Coryn MacPherson, Nicole Masone and Maria Pestili.

Boston Globe Scholastic Art Awards

The following students won awards at the Boston Globe Scholastic Art Awards.

State Level Awards

Patrick Bui	Grade 10	Silver Key	Drawing and Illustration
Brook Presente	Grade 9	HM	Printmaking
Adam Milewski	Grade 10	HM	Architecture and Industrial Design

Regional Entries

Painting

Alyse Anderson, Charlotte Anderson, Marissa Merlino, Maya Roselli

Drawing & Illustration

Farelle Augustin, Victoria Capobianchi, Noelle Cataldo, Kendal Colclough, Abby Delory, Sarah Govoni, Divya Kumar,

Printmaking

Farelle Augustin, Caitlin Leonard, Nate Morse, Katie Mulligan, Savannah Murphy, Jordan Pellissier, Ella Perry, Lauren Phelps,

Fashion

Madi Jolliemore, Marissa Merlino, Alaina Mutascio, Victoria Spyropoulos,

Architecture and Industrial Design

Kelsey Twomey

Arts in Bloom

Arts in Bloom is a distric-wide celebration of the Arts. Several hundred K-12 art students displayed drawings, paintings, printmaking, ceramics and fashion and graphic designs. In addition, high school music student serenaded guests, and high school Art in Action Club students taught four different art lessons to younger art students. In preparation for the event, students had a guest lecturer (K. Gabriel) and learned about design concepts related to floral arranging. They learned to create floral displays inspired by the works of art. Students also went on a field trip to the Museum of Fine Art to learn about how they do the Art in Bloom exhibit which inspired ours. Special thanks to the Whitman and Hanson Cultural Councils for providing the funds to make this event possible.

2nd Parrish/Mass Cultural Council Art Exhibition

25 students were selected to have their work displayed at the Mass Cultural Council Exhibit at the Hingham Second Parish.

VFW Art Competition Winners

The following students had their work selected for the VFW Patriotic Art Contest and Exhibition. Congratulations to all. The artwork was on display during the Art in Bloom exhibit in the WHRHS Library. The work of the First Place Winner was sent to compete with other first place winners from around the state to represent Massachusetts at the national level. Special thanks to Rachel Eaton and the Whitman VFW Ladies Auxiliary for years of commitment to the program.

Abigail DeLory
Tyler Godbout
Madelyn Tassey
Hayley Ferguson

First Place
2nd Place
3rd Place
Honorable Mention

Also representing Whitman Hanson:

Maria Pestilli, Divya Kumar, Betty Blake, Mia McQuarrie, Trystan Anthony, Serena Dee, Samantha Higgins, Erin Wood, Amy Lucas, Niki Kamerides

Kick Wall Mural

Students from Mrs. Maher's Art Workshop and Advanced Art Exploration classes created an 8'x24' mural on the kick wall in the lower field.

Art Matters Mindfulness Project

All of Mrs. Maher's art classes collaborated to create a 5'x 20' sign made up of detailed designs traditionally associated with mindfulness. The project was intended to teach ways art could help relieve stress and to focus students on the many ways that art impacts us every day. Mr. Casey's students created a video that chronicled the project which was featured on the MassCreative website.

Art Class Field Trips

WHRHS art students were invited to the **MA State House** to learn about the art and architecture of the historic building and to see an art exhibit sponsored by State Representative Josh Cutler. The exhibit featured several works of art by WH students. We then held a photo safari in the Boston Common followed by visit to the **State Transportation Building** where 6 WHRHS students had work on display at an art exhibit sponsored by the Mass Art Educators Assoc.

Museum of Fine Arts/ Art in Bloom Fieldtrip:

Students went to the MFA to study the Art in Bloom exhibit which is the basis for the district – wide art show that they would curate upon return. They had the opportunity to listen to several speakers discussing how the floral arrangements were developed to accentuate specific art in the MFA collection. During the W-H Art in Bloom Exhibit they had the opportunity to put what they learned to work by arranging floral arrangements to enhance work created by their peers. Special thanks to a grant from the Whitman and Hanson Cultural Councils for making the hand-s on portion possible.

National Honor Society

During the 2017-2018 school year, National Honor Society members sponsored its 8th annual *Miles for Meals* 5K to benefit the local food pantries on September 30, 2017. Students solicited donations from businesses in Whitman, Hanson, and surrounding towns, and local residents participated in the 5K and 1-mile walk. High School senior and president of the National Honor Society, Regan Hayes, presented two checks in the amount of \$2,000 each to the Whitman and Hanson food pantries. The recipients expressed appreciation and commended the students, staff and parents on their diligence and generosity. National Honor Society students also participated in numerous service projects during 2018. NHS teamed up

with the Whitman Public Library during the winter to collect new pajamas for small children; NHS donated and delivered 20 Buckets of Love Valentine's gifts to children living at the Carolina Hill Shelter in Marshfield; NHS spearheaded its first Whitman-Hanson Day of Service on April 5 and helped cleared brush at the site of the former Plymouth County Hospital, worked in both the Whitman and Hanson food pantries, performed spring cleaning at Camp Kiwanee in Hanson, made fleece blankets for Annie's Kindness Blankets and helped at the Best Buddies 5K; NHS also helped clear litter from the streets during Green Hanson's Green Up Clean Up Day in April. In addition, NHS students collectively logged more than 100 hours of peer tutoring over the course of the year.

The following students were inducted into the Whitman-Hanson National Honor Society on December 6, 2018 in the Dr. John McEwan Performing Arts Center:

2018 BUSINESS/TECHNOLOGY DEPARTMENT ACCOMPLISHMENTS

Business Plan Competition

Four of the Entrepreneurship students (Ryan Brennan, Tajh Hunter, Regan Hayes, and Cathryn Johnson) competed in the Future Entrepreneurs Series Youth Business Plan Competition sponsored by Brockton Area Workforce Investment Board (BAWIB). This competition gives youth between the ages of 16-21 from our area schools the opportunity to explore their dreams of starting their own business and gain knowledge of entrepreneurship through the process of developing a business plan. In May, the formal awards ceremony took place in Brockton:

First Place winners—Regan Hayes and Cathryn Johnson received a \$500 check for their business plan idea for Safe Go Application, which helps college students if they are in trouble.

Second Place winner – Ryan Brennan and Tajh Hunter received a check for \$250 for their business plan Spin for Change where they created and designed Fidget Spinners and their proceeds went to Whitman-Hanson Best Buddies program

2018 Presenter at Mass Cue Teacher Technology Conference at Gillette Stadium

In October of 2018, two students were selected as one of 24 schools in Massachusetts to display our work at the Annual Mass Cue Teacher Technology Conference at Gillette Stadium. The team displayed their Technology project about Designing and 3D Fidget Spinners using 3D printer technology and the proceeds went to Best Buddies Organization.

Credit for Life Fair

On Wednesday, October 10, 2018 the Whitman-Hanson Regional High School participated in their third annual Credit for Life Fair to foster financial literacy for senior students and the event was held in the high school gymnasium. A Credit for Life is a reality fair that is an interactive exercise where students visit booths to learn about financial decisions for various services and living expenses such as cell phone, clothing, groceries, renting an apartment, leasing or buying a car, and community service options. Throughout the process students are challenged to balance their budgets and it isn't always easy. The booths are staffed by local businesses (banks, insurance companies, car dealer) and the volunteers discuss to students the costs of clothing, groceries, and luxury items. The major sponsor was Mutual Bank which provided pad folios to every senior student participating in the event. Some of the additional sponsors included: Mutual Bank, Rockland Trust, Panther Education Trust, Webster Bank, Bridgewater Savings, MEFA, Jack Conway Real Estate, Edelman Financial Services, Gomes Wealth Management, Eastern Insurance, Massachusetts State Treasurer & Receiver General, and Eastern Insurance. The event included over 270 seniors, 40 community volunteers and a Credit for Life Executive team, which included Business teachers, School Counseling, and the Whitman-Hanson Administrative team.

The DECA Program

District Competition January 2018

44 Whitman-Hanson students attended the two-day DECA District Conference in January located in Quincy. A summary of their awards and accomplishments are below:

- 44 W-H members attended along with 11 W-H Post-grad students
- W-H members received the DECA National Competency Certificate for high test scores

- 16 medals were won for highest scores per test in their category of competition
- 9 members placed in the top 10 of their overall category
- 12 members qualified to compete at the state conference in March and five additional students attended to compete in written projects, as well as four in the Quiz Bowl Event

On the non-competitive track, thirteen W-H DECA members attended the Sports & Entertainment Conference in Orlando, FL in February where they heard presentations and attended workshops with top Universal Studios Marketing Executives and Sports Marketing Executives.

Experiential Learning & Leadership Internship Program in the Business Department

- 55 students (34 women, 21 men) participated in the Experiential Learning & Leadership internship program
- 7 were offered jobs after their internship
- Nearly all received certificates from the University of Rhode Island's Center for Student Leadership Development as an "Emerging Leader" after participating in a day-long leadership workshop and team building program.
- All students combined for OVER 4,000 hours completed at their internships

REPORT OF THE TOWN ACCOUNTANT

To the Honorable Board of Selectmen and
The citizens of the Town of Whitman

I herewith submit the Annual Report of the Town Accountant for the Fiscal Year 2018 which includes the Balance Sheet and Receipts and Expenditures Report for each of the following:

- General Fund
- Capital Asset Fund
- Special Revenue Fund
- Capital Projects Fund
- Highway Fund
- Agency Fund
- General Long-Term Debt Fund
- Water/Sewer Enterprise Fund
- Water/Sewer Enterprise Capital Project Fund
- Trust Funds

I am also including a Combined Balance Sheet reflecting all of the above funds in one statement.

I would like to thank my Assistant, Paula Holland, for her excellent support.

Respectfully submitted,

Ken Lytle
Town Accountant
